SENATE MEMORIAL 17-002

101 CONCERNING MEMORIALIZING CONGRESS TO HOLD THE UNITED  
102 STATES DEPARTMENT OF VETERANS AFFAIRS ACCOUNTABLE.

---

1 WHEREAS, Colorado is home to more than 400,000 veterans; and

2 WHEREAS, The United States Department of Veterans Affairs  
3 (VA) spent more than \$3.5 billion on health care and benefits for  
4 Colorado veterans in 2015; and

5 WHEREAS, Two years ago Congress and the VA implemented a  
6 \$16 billion program to drastically decrease the amount of time veterans  
7 wait for health care, yet today veterans wait longer than ever to see a  
8 provider; and

9 WHEREAS, The VA is having trouble attracting doctors--a recent  
10 survey showed that only 1.9 to 2.5 percent of physicians found  
11 government or military employment a desirable practice setting; and

12 WHEREAS, The shortage of providers and subsequent lack of  
13 care is reflected in the fact that the rate of suicide is 21 percent higher for  
14 veterans and has increased by 32 percent since 2001; and

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
*Capital letters indicate new material to be added to existing statute.*  
*Dashes through the words indicate deletions from existing statute.*

SENATE  
Final Reading  
April 26, 2017

1           WHEREAS, On average, 20 veterans commit suicide every day;  
2    and

3           WHEREAS, Until recently, the VA was treating chronic pain  
4    almost exclusively with opioids, resulting in an addiction and fatal  
5    overdose rate among veterans that is almost double the national average;  
6    and

7           WHEREAS, All America's veterans have unique needs, and the  
8    VA should refocus its work and prioritize veterans with  
9    service-connected disabilities and specialized needs; and

10          WHEREAS, The VA has repeatedly come under fire from veterans  
11    groups and lawmakers for its failure to punish corrupt employees and  
12    address the systemwide failure that has resulted in false, misleading wait  
13    times and serious medical care issues; and

14          WHEREAS, Two measures to hold the VA accountable for its  
15    egregious lack of service to and neglect of the nation's veterans passed  
16    unanimously out of the United States House of Representatives but  
17    remain stalled in the Senate; and

18          WHEREAS, Congress must act to hold all VA employees  
19    responsible, particularly those in leadership roles; and

20          WHEREAS, Documented cases of whistleblower retaliation  
21    continue to plague the VA, exposing the harassment and attempted  
22    bribery of former VA employees who have brought the department's  
23    failures to light; and

24          WHEREAS, The VA needs much stronger whistleblower  
25    protections, as ideas for systemwide change and reform need to come  
26    from within and those who expose abuse and waste should be protected;  
27    and

28          WHEREAS, As the demographics of America's veterans rapidly  
29    change, their system of care needs to change as well to ensure  
30    high-quality, consistent health care and benefits for all veterans; now,  
31    therefore,

32                   *Be It Resolved by the Senate of the Seventy-first General Assembly*

1     *of the State of Colorado:*

2             That we, the members of the Senate, in recognition of the need to  
3 hold the United States Department of Veterans Affairs accountable for  
4 the health care of our nation's veterans, declare that the United States  
5 Congress must pass reforms that prioritize our country's service men and  
6 women over bureaucracy to ensure that those who risked everything for  
7 our country receive the best care possible.

8             *Be It Further Resolved,* That copies of this Memorial be sent to  
9 David Shulkin, United States Secretary of Veterans Affairs; Major  
10 General Michael A. Loh, Adjutant General of Colorado; members of the  
11 United States House Committee on Veterans' Affairs; members of the  
12 United States Senate Committee on Veterans' Affairs; and the members  
13 of Colorado's congressional delegation.
