Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2017-18 based on the March 2017 Legislative Council Staff revenue forecast. The budget package, as amended by General Assembly action on the Long Bill (S.B. 17-254), allocates a total of \$12.0 million General Fund for 2017 legislation that is not accounted for in the budget package, including \$11.3 million to be available for appropriations plus \$0.7 million for the associated 6.5 percent statutory reserve. If this amount is not used to fund legislation, it will remain in the General Fund reserve.
