Summary of Legislation

Under current law, any report that is required to be submitted to the General Assembly by an executive agency or the judicial branch expires after three years, unless otherwise specified in statute. **Recommended by the Statutory Revision Committee**, the **reengrossed** bill:

- repeals the following reporting requirements for the Public Utilities Commission (PUC) within the Department of Regulatory Agencies (DORA) that have expired:
 - " Annual Report to the State Legislature - Energy Rate Cases;
 - " Annual Report on Energy Utility Demand Side Management;
- continues indefinitely the Annual Report of the Colorado High Cost Support Mechanism, produced by the PUC; and
- continues indefinitely the following four reporting requirements for the Division of Insurance within DORA:
 - " Annual Report of the Commissioner of Insurance - Title Insurance Enforcement Actions, Market Trends, and Consumer Complaints;
 - " Annual Report of the Commissioner of Insurance on Health Insurance;
 - " Annual Report on Complaints Against Insurers; and
 - " Financial Examination of Pinnacle Assurance Fund. (This report must be submitted only to the Office of the State Auditor and no longer is required to be submitted to the General Assembly, Governor, and the executive directors of DORA and the Department of Labor and Employment.)

State Expenditures

The bill decreases the workload in DORA by a minimal amount beginning in FY 2017-18. Of the two PUC reports repealed by the bill, one (Annual Report on Energy Utility Demand Side Management) will result in a minimal workload decrease, and one (Annual Report to the State Legislature - Energy Rate Cases) will result in no fiscal impact, as the PUC will continue to produce the report for internal purposes. There is no fiscal impact to continue reporting requirements, including the report required to be submitted only to the Office of the State Auditor under the bill, only a continuation of current workload.

Effective Date

The bill takes effect August 9, 2017, if the General Assembly adjourns on May 10, 2017, as scheduled, and no referendum petition is filed.
