Appropriation Required: \$1,000,000 - Department of Higher Education (FY 2017-18).			
Future Year Impacts: Potential ongoing increase in state revenue and expenditures.			

Summary of Legislation

This bill creates a research center (center) for substance abuse and addiction prevention strategies and treatment at the University of Colorado Health Sciences Center. The center's mission is to:

- establish or expand programs for research concerning abuse and addiction to opioids, other controlled substances, and alcohol;
- establish or expand treatments for opioids, other controlled substances, and alcohol;
- expand existing partnerships with national organizations with similar missions; and
- seek federal and private resources to further the center's activities.

State Revenue

Beginning in FY 2016-17, the bill may increase state revenue from gifts, grants, or donations in the University of Colorado. The bill directs the center to seek federal and private resources. As of this writing, it is unknown if any source of additional revenue has been identified.

State Expenditures

In FY 2017-18, the bill increases state cash fund expenditures in the University of Colorado by \$1,000,000. Expenditures in the Health Sciences Center are to establish or expand programs for research and treatment for opioid and other substance abuse and addiction. The exact use of the funds has not yet been determined.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.

State Appropriations

For FY 2017-18, this bill includes a cash fund appropriation of \$1,000,000 from the Marijuana Tax Cash Fund to the Department of Higher Education for use by the regents of the University of Colorado.
