10 13a Department of Health Care Policy and Financing, Medical Services Premiums, Medical and Long-Term Care Services for Medicaid Eligible Individuals;  
 11 Office of Community Living, Division of Intellectual and Developmental Disabilities, Program Costs -- The General Assembly assumes federal approval of  
 12 provider rate increases for Home- and Community-Based Services, except for services funded through the Office of Community Living, will be delayed until  
 13 October 1, 2017, resulting in a savings of \$1,647,446 General Fund. It is the General Assembly's intent that this savings be invested in a rate increase for  
 14 emergency medical transportation, non-emergency medical transportation, and non-medical transportation of \$4,882,669 total funds, of which \$1,647,446  
 15 comes from the General Fund. The General Assembly assumes that to continue the rate increases for transportation services in FY 2018-19, when the one-time  
 16 savings from the delay of the Home- and Community-Based Services rate increases is gone, the Department of Health Care Policy and Financing will need

4 -- It is the General Assembly's intent that this appropriation be used to sustain the grant program for screening, brief intervention, and referral to treatment  
5 for individuals at risk of substance abuse that is authorized in Section 25.5-5-208, C.R.S., through:

- 6 •Training for health professionals statewide that is evidence-based and that may be either in person or web based;
- 7 •Consultation and technical assistance to providers, healthcare organizations, and stakeholders;
- 8 •Outreach, communication, and education of providers and patients;
- 9 •Coordination with primary care, mental health, integrated health care, and substance use prevention, treatment and recovery efforts; and

11  
12 19 Department of Health Care Policy and Financing, Department of Human Services Medicaid-Funded Programs, Executive Director's Office - Medicaid Funding

13 -- The appropriation in this Health Care Policy and Financing line item corresponds to the Medicaid funding in the Department of Human Services, Executive  
14 Director's Office, General Administration. As such, the appropriation contains amounts that correspond to centralized appropriation amounts in the Department  
15 of Human Services. Consistent with the headnotes to the Long Bill, the Department of Human Services is authorized to transfer the centralized appropriations  
16 to other line item appropriations in the Department of Human Services. In order to aid budget reconciliation between the Department of Health Care Policy  
17 and Financing and the Department of Human Services, the Department of Health Care Policy and Financing is hereby authorized to make line item transfers  
18 out of this appropriation to other Department of Human Services Medicaid-funded programs appropriations in this section (7) in amounts equal to the  
19 centralized appropriation transfers made by the Department of Human Services for Medicaid-funded programs in the Department of Human Services.

21 20 Department of Health Care Policy and Financing, Grand Totals; Department of Higher Education, College Opportunity Fund Program, Fee-for-service

1           Contracts with State Institutions, Fee-for-service Contracts with State Institutions for Specialty Education Programs and Governing Boards, Regents of the  
2           University of Colorado -- The Department of Higher Education shall transfer \$345,245 to the Department of Health Care Policy and Financing for  
3           administrative costs and family medicine residency placements associated with care provided by the faculty of the health sciences center campus at the  
4           University of Colorado that are eligible for payment pursuant to Section 25.5-4-401, C.R.S. It is the General Assembly's assumption that the Department of  
5           Health Care Policy and Financing is seeking permission from the federal Centers for Medicare and Medicaid Services to make supplemental payments to the  
6           University of Colorado School of Medicine. If permission is granted, the Department of Higher Education shall transfer the amount approved, up to  
7           \$61,521,432, to the Department of Health Care Policy and Financing in FY 2017-18 pursuant to Section 23-18-304(1)(c), C.R.S. If permission is not granted,  
8           or is granted for a lesser amount, any portion of the \$61,521,432 that is not transferred to the Department of Health Care Policy and Financing shall be
