Summary of Legislation

Under current law, the Stroke Advisory Board in the Colorado Department of Public Health and Environment (CDPHE) is scheduled to repeal on September 1, 2018. This bill continues this advisory board indefinitely.

Background

The Stroke Advisory Board is an 18-member, Governor-appointed board created in 2013 to evaluate potential strategies for stroke prevention and treatment and develop a statewide needs assessment for stroke-related resources.

Continuing Program Impacts

By continuing the Stroke Advisory Board, a minimal amount of workload will continue in the CDPHE starting in FY 2018-19 for staff to assist with logistics for the board and to participate in any board discussions affecting programs in the CDPHE.

Effective Date

The bill takes effect September 1, 2018, assuming no referendum petition is filed.
