Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates \$718,412 cash funds from the Office of State Planning and Budgeting Youth Pay for Success Initiatives Account within the Pay for Success Contracts Fund to the Office of State Planning and Budgeting for FY 2018-19 for the costs associated with implementing three pilot projects using the Pay for Success contracting model defined in Section 24-37-403, C.R.S. Of this amount, \$52,511 is reappropriated to the Department of Human Services, which amount is based on an assumption that the Department will require an additional 0.5 FTE for support services related to Pay for Success initiatives.

Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a budget package for FY 2018-19 based on the March 2018 Office of State Planning and Budgeting revenue forecast. The JBC has included as part of its FY 2018-19 budget package the \$401,314 General Fund revenue decrease that would result from the passage of this bill.
