Summary of Legislation

This bill repeals the Architectural Paint Stewardship Act.

Background

Senate Bill 14-029 created the Architectural Paint Stewardship Program for the recycling, reuse, and disposal of post-consumer architectural paint. PaintCare was selected by the Colorado Department of Public Health and Environment (CDPHE) to collect and manage unwanted paint statewide. It is funded through a fee added to the purchase price of paint. Fees are \$.35 per pint or quart, \$.75 per gallon and \$1.60 for 5 gallon containers. The aggregate amount of fees charged to consumers cannot exceed the actual cost of maintaining the program. In 2016, the most recent year for which data are available, PaintCare collected \$6,778,509 in fees and had a surplus of \$2,114,696 including surplus funds from 2015. The program is overseen by the Hazardous Materials and Waste Management Division of CDPHE and funded by the fees collected by PaintCare.

State Revenue

This bill will reduce state cash fund revenue to the Paint Stewardship Program Cash Fund in CDPHE by \$110,000 in FY 2018-19 and \$120,000 in FY 2019-20 and future years.

State Expenditures

This bill will reduce state cash fund expenditures from the Paint Stewardship Program Cash Fund in the CDPHE by \$110,000 and 0.9 FTE in FY 2018-19 and \$120,000 and 1.0 FTE in FY 2019-20. The FY 2018-19 figure is prorated to account for the August 8, 2018, effective date of the program repeal.

Local Government

This bill will increase expenditures for local governments that take over responsibility for paint disposal for their jurisdictions. This amount has not been estimated.

Effective Date

The bill was lost on second reading in the Senate on February 21, 2018.

State Appropriations

For FY 2018-19, the bill requires a reduction of \$110,000 and 0.9 FTE to the CDPHE from the Paint Stewardship Program Cash Fund.
