the student has applied for lawful presence or will apply as soon as he or she is eligible, must be classified as an in-state student for tuition purposes. Such a student is eligible for the college opportunity fund program upon verification of the student's uniquely identifying student number and may be eligible for institutional or private financial aid programs.

The bill makes such a student eligible for certain student financial assistance programs offered by the department of higher education to in-state students. Prior to becoming eligible, the student is subject to the same verification requirements for eligibility to participate in the college opportunity fund program.
