is not charging.

An electric vehicle is rebuttably presumed to not be charging if the electric vehicle is parked in a charging station and is not electrically connected to the charger for longer than 30 minutes. A person may park an electric vehicle at a charging station after the electric vehicle is fully charged in a parking lot:

- ! That serves a lodging business if the person is a client of the lodging business and has parked the electric vehicle in the lot to charge overnight;
- ! That serves an airport if the person is a client of the airport and has parked the electric vehicle in the lot to charge when traveling; or
- ! Between the hours of 11 p.m. and 5 a.m.

The penalty for a violation is a \$350 fine and a \$64 surcharge.

1 *Be it enacted by the General Assembly of the State of Colorado:*
