Current law provides for the issuance of identification documents, such as driver's licenses, to people who are temporarily present or who are not lawfully present in Colorado. The bill requires the department of
revenue to issue these documents at 10 or more offices geographically distributed throughout the state.

Be it enacted by the General Assembly of the State of Colorado:

42-2-508. Fees - operations - rule - repeal. (1) The department may promulgate a rule imposing an additional fee for issuance of a document issued under this part 5 to cover the direct and indirect cost of implementing this part 5. The department shall set the fee in accordance with section 42-2-114.5 (2). The department shall transfer the fees to the state treasurer, who shall credit the fees to the licensing services cash fund, created in section 42-2-114.5 (1).

(2) (a) By January 1, 2020, the department shall issue identification documents under this part 5 in an efficient manner at eight or more offices, including offices operating before January 1, 2020, that are geographically distributed throughout the state. This subsection (2)(a) is repealed, effective July 1, 2020.

(b) By July 1, 2020, the department shall issue identification documents under this part 5 in an efficient manner at ten or more offices, including offices operating before July 1, 2020, that are geographically distributed throughout the state.
