! The P.O.S.T. board receives notification from a law enforcement agency that employs or employed the peace officer that the peace officer knowingly made an untruthful statement concerning a material fact or omitted a material fact on an official criminal justice record, while testifying under oath, or during an internal affairs investigation or comparable administrative investigation; and

! The law enforcement agency certifies that it completed an administrative process defined by a published policy of the law enforcement agency and through that process, the law enforcement agency determined by a clear and convincing standard of the evidence that the officer knowingly made an untruthful statement concerning a material fact or knowingly omitted a material fact on an official criminal justice record, while testifying under oath, or during an internal affairs investigation or comparable administrative investigation.

The bill allows a person whose P.O.S.T. certification is revoked to appeal the revocation in accordance with rules of the P.O.S.T. board.
