Summary of Legislation

This bill repeals Columbus Day as a state holiday and replaces it with Colorado Day. Colorado Day falls on the first Monday in August and is held in tribute to the anniversary of the admission of the state of Colorado into the United States of America.

State Expenditures

Beginning in FY 2019-20, this bill may increase workload for state agencies to update rules, documentation, technical guidance, and to manage and change schedules and payroll to account for the holiday switch. Any workload increase will be minimal and can be accomplished within existing appropriations.

Local Government

To the extent that local governments, municipalities, school districts, or statutory public entities follow the state's holiday schedule, workload will increase to manage and change schedules and payroll to account for the holiday switch.

Effective Date

The bill takes effect August 2, 2019, if the General Assembly adjourns on May 3, 2019, as scheduled, and no referendum petition is filed.
