Appropriation Summary: No appropriation is required.

Fiscal Note Status: The fiscal note is written to the introduced bill.

Summary of Legislation

Under current law, a business where tipping is customary may require employees to share gratuities so long as the business posts a sign to that effect in a conspicuous place. This bill clarifies that if gratuities are shared by employees, the business must provide this information to each patron in writing, including by a notice on the menu, table tent, or receipt.

State Expenditures

This bill increases the workload of the Department of Labor and Employment to respond to inquiries or complaints about the bill's requirements. Any increase is expected to be minimal and can be addressed within existing appropriations.

Effective Date

The bill takes effect August 2, 2019, if the General Assembly adjourns on May 3, 2019, as scheduled, and no referendum petition is filed.
