Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates a total of \$221,925 General Fund to the Legislative Department for FY 2019-20. This provision also states that the appropriation is based on the assumption that the Legislative Department will require an additional 1.8 FTE to implement the act.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2019-20 based on the March 2019 Legislative Council Staff revenue forecast. The budget package leaves approximately \$47.9 million General Fund unallocated. Thus, the General Assembly could appropriate up to \$44.7 million
