Summary of Legislation

The bill removes obsolete statutory language that authorizes the Board of Health to accept and use money allotted to the Department of Public Health and Environment (CDPHE) for public works, public health, or other undesignated purposes.

Assessment of No Fiscal Impact

The Board of Health does not accept or act as a custodian for CDPHE funds, or otherwise perform the functions that are removed by the bill. The bill will not impact workload, revenue, or expenditures of any state or local government agency, and is therefore assessed as having no fiscal impact.

The bill takes effect August 2, 2019, if the General Assembly adjourns on May 3, 2019, as scheduled, and no referendum petition is filed.
