SENATE  
Amended 2nd Reading  
March 10, 2020

- ! Study and implement recommendations of the state auditor's report regarding school safety released September 2019;
- ! Study the use of lockdown drills, including their effectiveness and any harm they do to the participating students;
- ! Identify school safety best practices and then rank the effectiveness of the best practices;
- ! Identify actions to improve transparency, reduce duplication, improve services, and improve communication;
- ! Create minimum school safety standards;
- ! Provide school risk assessments and training;
- ! Develop standardized language for describing threats to schools and the procedures to be followed in investigating a threat;
- ! Create a list of approved school safety resource vendors and tools;
- ! Recommend minimum standards or procedural guidelines for behavioral threat assessment tools;
- ! Report on a monthly basis aggregated behavioral and risk assessment data;
- ! Create an annual report of findings and recommendations, including evidence-based analysis and data; and
- ! Study and evaluate the implemented changes.

The working group may contract with a consultant to optimize the alignment and effectiveness of the school safety efforts in Colorado and identify evidence-based best practices. The general assembly may appropriate money to the working group for a consultant, and the working group can accept gifts, grants, and donations.

The bill repeals the working group on September 1, 2023.
