for limited periods and to receive a salary without reduction in benefits under certain circumstances. Boards of cooperative services (BOCES) provide special education services to the school districts they serve. Almost all of these school districts are in rural parts of the state and it is difficult for BOCES to find qualified people to serve as special service providers in these areas. BOCES could address this issue by hiring service retirees, but PERA's employment-after-retirement provisions, including the limitation on the number of days in a calendar year that a service retiree may work for a PERA employer without a reduction in benefits, make it difficult to do so.

The bill modifies the current PERA employment-after-retirement provisions for certain retirees hired by a BOCES if:

- ! The BOCES hires the service retiree to provide services in 2 or more rural school districts as determined by the department of education based on the geographic size of the school district and the distance of the school district from the nearest large, urbanized area;
- ! The BOCES hires the service retiree for the purpose of providing special services to students enrolled by the districts served by the BOCES; and
- ! The BOCES determines that there is a critical shortage of special service providers and that the service retiree has specific experience, skills, or qualifications that would benefit the districts that the BOCES serves.

A service retiree who is a special service provider and who is hired by a BOCES may receive salary without a reduction in benefits for any length of employment in a calendar year if the service retiree has not worked for any PERA employer during the month of the effective date of retirement.

The bill requires a BOCES that hires the service retiree to provide full payment of all PERA employer contributions, disbursements, and working retiree contributions. In addition, the BOCES is required to pay an additional amount equal to 2% of the retiree's salary to PERA.

A service retiree may not receive salary without reduction in benefits and without limitation in a calendar year for more than 5 consecutive years, and all BOCES combined are prohibited from hiring more than a total of 40 people over 5 years pursuant to the extension in PERA's employment-after-retirement limitations.

PERA is required to submit a report to the general assembly regarding specified aspects of the extension of PERA's employment-after-retirement limitations.

1           **SECTION 1. Legislative declaration.** (1) The general assembly  
2 hereby finds and declares that:

3           (a) Boards of cooperative services, or BOCES, are created in  
4 statute to provide educational services to two or more school districts that  
5 alone cannot afford the service, or find it advantageous and cost-effective  
6 to cooperate with other districts. These services represent a financial  
7 commitment that is best met by several districts voluntarily sharing costs  
8 and programs. In some instances, BOCES also operate as special  
9 education administrative units, providing services to students in the  
10 member districts.

11           (b) BOCES receive ongoing local, state, and federal funding, and  
12 know how to leverage those dollars for the greatest impact;

13           (c) BOCES also have a close working relationship with the  
14 department of education and embrace local control in how they are  
15 governed and in the services they provide; and

16           (d) Almost all of the regions in which BOCES provide services to  
17 school districts are rural and BOCES often have a difficult time finding  
18 qualified personnel.

19           (2) The general assembly further finds and declares that allowing  
20 BOCES to hire a limited number of retired special services providers,  
21 including speech language pathologists, school psychologists, social  
22 workers, occupational therapists, audiologists, teachers for the visually  
23 impaired and hard of hearing, early childhood education teachers, and  
24 others, and allowing them to receive a salary without a reduction in  
25 benefits through the public employees' retirement association will allow  
26 those BOCES serving as administrative units to provide support to the  
27 districts and students they serve.

1           **SECTION 2.** In Colorado Revised Statutes, 24-51-1101, **amend**  
2 (1) introductory portion, (1.8)(a), and (1.8)(b); and **add** (5) as follows:

6 service retiree from any division may be employed by an employer,  
7 whether or not in a position subject to membership, and receive a salary  
8 without reduction in benefits if the service retiree has not worked for any  
9 employer, as defined in section 24-51-101 (20), during the month of the  
10 effective date of retirement, and if:

11           (1.8) (a) A service retiree who is hired by a state college or

18 exceed nine hundred sixteen hours in the calendar year, or if employment  
19 consisting of a combination of daily and hourly employment does not  
20 exceed one hundred forty days per calendar year, and if the service retiree  
21 has not worked for any employer, as defined in section 24-51-101 (20),  
22 during the month of the effective date of retirement. A service retiree  
23 described in this subsection (1.8)(a) who works for any employer, as  
24 defined in section 24-51-101 (20), during the month of the effective date  
25 of retirement shall be subject to a reduction in benefits as provided in  
26 section 24-51-1102 (2).

27           (b) A state college or university or an employer in the school or

1 Denver public schools division may hire up to ten service retirees who are

4 qualified candidates and that the service retiree has unique experience,  
5 skill, or qualifications that would benefit the employer. The employer  
6 shall notify the association upon hiring a service retiree pursuant to this  
7 subsection (1.8). A list of any and all service retirees employed by the
