A BILL FOR AN ACT

CONCERNING THE MODIFICATION OF FISCAL INFORMATION PREPARED
BY LEGISLATIVE COUNCIL STAFF RELATED TO AN INITIATED
MEASURE, AND, IN CONNECTION THEREWITH, REDUCING AN
APPROPRIATION.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

Currently, the director of research of the legislative council (director) is required to prepare a fiscal impact statement for every
initiative that is submitted to the title board. An abstract of this information is required to be included on a petition section that is circulated for signatures. **Section 2** of the bill modifies this process by:

- Requiring the director to prepare a fiscal summary that will appear on a petition section instead of an abstract;
- Specifying that the fiscal summary must include a qualitative description about the measure's impact on state and local government revenues, expenditures, taxes, or fiscal liabilities and of the economic impacts of the measure;
- Requiring the director to provide the fiscal summary when a measure is submitted to the title board;
- Requiring the director to only prepare the fiscal impact statement, which will not include an abstract, for those initiated measures for which the secretary of state has approved a petition section; and
- Requiring the fiscal impact statement to be finished 14 days after the petition section was approved.

**Section 3** allows a proponent or registered elector to challenge a fiscal summary at a rehearing by the title board and the Colorado supreme court in the same manner as abstracts are challenged. **Section 5** requires the secretary of state to notify the director that a petition section for an initiative has been approved.

**Sections 1, 4, and 6** include conforming amendments related to the fiscal summary replacing the abstract.
