Section 1 of the bill specifies that the act shall be known as the "Tax Fairness Act".
Sections 2 and 3 require taxpayers to add to federal taxable income:

For income tax years ending on and after the enactment of
the March 2020 "Coronavirus Aid, Relief, and Economic Security Act" (CARES Act), but before January 1, 2021, and for income tax years beginning on and after the enactment of the CARES Act, but before January 1, 2021, an amount equal to the difference between a taxpayer's net operating loss deduction as determined under federal law before the amendments made by section 2303 of the CARES Act and the taxpayer's net operating loss deduction as determined under federal law after the amendments made by section 2303 of the CARES Act;

For income tax years ending on and after the enactment of the CARES Act, but before January 1, 2021, and for income tax years beginning on and after the enactment of the CARES Act, but before January 1, 2021, an amount equal to a taxpayer's excess business loss as determined under federal law without regard to the amendments made by section 2304 of the CARES Act, but with regard to the technical amendment made in that section of the CARES Act;

For income tax years commencing on or after January 1, 2021, an amount equal to the deduction for qualified business income for an individual taxpayer who files a single return and whose adjusted gross income is greater than $75,000, and for an individual taxpayer who files a joint return and whose adjusted gross income is greater than $150,000. This federal deduction may be claimed for income tax years commencing prior to January 1, 2026.

Section 4 limits the amount of net operating loss that a corporation may carry forward to $400,000. This section also specifies that a corporation may add the amount of all net operating losses that a corporation is prohibited from subtracting, with interest, to the allowable net operating loss that is carried forward by the corporation.

Section 5 eliminates the state income tax modification for qualifying net capital gains for income tax years commencing on or after January 1, 2021.

Sections 6 and 7 repeal the exemption from the state sales and use taxes for the sales, purchase, storage, use, or consumption of electricity, coal, gas, fuel oil, steam, coke, or nuclear fuel, for use in processing,
manufacturing, mining, refining, irrigation, construction, telegraph, telephone, and radio communication, street and railroad transportation services, and all industrial uses, for filing periods on and after August 1, 2020, except not the state sales and use tax exemption for newsprint and printer's ink for use by publishers of newspapers and commercial printers.

Section 8 creates a sales and use tax refund, not to exceed $1,000 per filing period, for filing periods on and after August 1, 2020, for all state sales and use tax paid by the taxpayer on the sale, storage, use, or consumption of electricity, coal, gas, fuel oil, steam, coke, or nuclear fuel, for use in processing, manufacturing, mining, refining, irrigation, construction, telegraph, telephone, and radio communication, and all industrial uses; except that the $1,000 per filing period limit does not apply to the sale, storage, use, or consumption of:

- Diesel fuel purchased for off-road use;
- Electricity, coal, gas, fuel oil, steam, coke, or nuclear fuel purchased for agricultural purposes;
- Coal, gas, fuel oil, steam, coke, or nuclear fuel for use in generating electricity; and
- Electricity, coal, gas, fuel oil, steam, coke, or nuclear fuel for use in street and railroad transportation services.

Sections 9 and 10 prevent the elimination of the sales tax exemption and the creation of the sales tax refund from affecting county and municipal sales and use taxes.

Section 11 repeals the statutes that provide an insurance premium tax rate reduction for insurance companies maintaining a home office or a regional home office in the state. Section 11 also clarifies that, for purposes of the insurance premium tax, an "annuity plan" or an "annuity consideration" does not include a deposit-type contract that does not incorporate mortality or morbidity risks, such as a guaranteed investment or interest certificate, a supplementary contract without life contingencies, an annuity certain, a premium fund or other deposit fund, a dividend accumulation, a coupon accumulation, a lottery payout, or a structured settlement.

The earned income tax credit is equal to a percentage of the federal earned income tax credit. Section 12 increases the percentage from 10% to 20% beginning in 2023. Section 12 also specifies that for income tax years commencing on or after January 1, 2020, taxpayers filing with an individual taxpayer identification number are eligible for the earned income tax credit.

Section 13 specifies that the state treasurer shall transfer the following amounts from the general fund to the state education fund created in section 17 (4) of article IX of the state constitution for the following fiscal years:
