- ! Updating the definition of "kin" to ensure that kin are eligible for prevention services;

- ! Requiring that when a youth is committed to the state department of human services, the court shall make additional findings to ensure the commitment is not the result of a lack of available appropriate placements;
- ! Adding requirements to a court to make specific findings when it deviates from the assessor's recommendation of a placement;
- ! Setting a new requirement that residential child care facilities must renew licenses annually; and
- ! Requiring the existing delivery of child welfare services task force to make recommendations on the reduction of state reimbursements for certain out-of-home placements on or before July 31, 2020, and instructing the state to change reimbursement rates on or before January 1, 2021.
