(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. The bill clarifies 2008 legislation prohibiting discretionary clauses in certain plans and insurance policies and providing for the de novo standard of review in any court by:

! Declaring that the legislation should be construed broadly to effectuate its remedial purpose, notwithstanding any
contractual or statutory choice-of-law provision to the contrary;

- Nullifying any contract provision that purports to give an insurer or its agent discretionary authority to determine entitlement to benefits;
- Severing a claimant's right to de novo review of policy disputes from the claimant's right to a jury trial of those disputes; and
- Specifying that the commissioner of insurance may adopt rules as necessary to enforce this prohibition.

Be it enacted by the General Assembly of the State of Colorado:
