If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

Current law provides for the issuance of a Colorado professional fire fighters license plate and sets standards for organizations that may qualify applicants to be issued the license plate. One of the qualifications is that the organization has been in existence for at least 20 years. The bill lowers this requirement to at least 15 years.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.

The bill provides an evidentiary standard for an organization to prove that it has met the required minimum of 3,000 members residing in Colorado to qualify applicants to be issued the license plate.
