HB 20-1014

FINAL FISCAL NOTE

Drafting Number:	LLS 20-0197	Date:	August 6, 2020
Prime Sponsors:	Rep. Tipper; Rich Sen. Gardner	Bill Status:	Signed into Law
		Fiscal Analyst:	Erin Reynolds 303-866-4146 Erin.Reynolds@state.co.us

Bill Topic: MISUSE OF HUMAN REPRODUCTIVE MATERIAL

Summary of Fiscal Impact:	<input checked="" type="checkbox"/> State Revenue	<input type="checkbox"/> TABOR Refund
	<input checked="" type="checkbox"/> State Expenditure	<input checked="" type="checkbox"/> Local Government
	<input type="checkbox"/> State Transfer	<input type="checkbox"/> Statutory Public Entity

This bill creates new civil penalties and criminal offenses related to fertility fraud. It may minimally increase state and local revenue and expenditures beginning in FY 2020-21.

**Appropriation
Summary:** No appropriation is required.

**Fiscal Note
Status:** This fiscal note reflects the enacted bill.

Summary of Legislation

This bill creates a new civil penalty and criminal offense related to the misuse of gametes (sperm and eggs, for example) in an assisted reproduction procedure.

Civil offense. The bill creates a new civil cause of action for misuse of gamete in an assisted reproduction procedure. The patient, the patient's current or surviving spouse, or a child born as a result of the procedure may bring an action against a health care provider who knowingly uses gamete from a donor without express consent from the patient. Prevailing plaintiffs are entitled to reasonable attorney fees and either all damages or liquidated damages of \$50,000. A separate cause of action is available for each child born as a result of the assisted reproduction procedure.

Criminal offense. If a health care provider uses their own gamete in a procedure without the patient's written consent, the provider commits a class 6 felony.

Professional misconduct. Any conviction for a gamete-related offense constitutes unprofessional conduct of a licensee.

Comparable Crime Analysis

Legislative Council Staff is required to include certain information in the fiscal note for any bill that creates a new crime, changes the classification of an existing crime, or changes an element of an existing crime. This section outlines data on crimes comparable to the offense in this bill and discusses assumptions on future rates of criminal conviction for those offense.

Prior conviction data and assumptions. This bill creates the new offense of misuse of gamete, a class 6 felony. To form an estimate on the prevalence of this new crime, the fiscal note analyzed the existing offense of practicing medicine without a license for a second or subsequent time, which is class 6 felony, as a comparable crime. For the past three fiscal years, zero offenders have been sentenced and convicted for this existing offense.

State Revenue and Expenditures

This analysis assumes that there will be a minimal impact on civil and criminal case filings. As a result, any increase of fines and court fees and related TABOR impact is expected to be minimal. Similarly, potential workload increases for the Judicial Department, the Division of Probation, agencies that provide representation to indigent persons, and the Department of Corrections require no change in appropriations.

In addition, this bill will increase workload for the State Medical Board in the Department of Regulatory Agencies (DORA) to the extent any hearings for unprofessional conduct are brought in front of the board as a result of the bill. DORA will also update its materials to reflect the change in law. No change in appropriations is required.

Local Government

Similar to the state, it is expected that any workload or cost increase for district attorneys to prosecute the new class 6 felony under the bill will be minimal. District attorney offices are funded by counties, with each county in a judicial district contributing based on its population.

Effective Date

The bill was signed into law by the Governor on July 6, 2020, and takes effect September 14, 2020, assuming no referendum petition is filed. It applies to causes of action arising or offenses committed on or after this date.
