The Energy and Environment Committee Report (03/09/20) and the Finance Committee Report (05/28/20) include amendments to the bill adjusting technical language, however, Legislative Council Staff and JBC Staff agree that the committee amendments do not change the fiscal impact of the bill.

While the Legislative Council Staff Fiscal Note dated March 16, 2020 identifies a TABOR impact based on the December 2019 Legislative Council Staff forecast, the updated forecast dated May 12, 2020 indicates that a TABOR refund will not occur.
