Summary of Legislation

The bill allows surplus military vehicles and military vehicles to be driven on roadways without requiring them to be titled or registered.

Background

Under current law, a surplus military vehicle is considered an off-highway vehicle. Owners may request an Off-Highway Vehicle Colorado Certificate of Title, but the vehicle may not be registered for on-road use by the Department of Revenue.

There are currently 1,399 surplus military vehicles titled in Colorado; however, they are not required to be titled, so the exact number of surplus military vehicles in Colorado is unknown.

Assessment of No Fiscal Impact

The bill does not require affirmative action by state or local governments; therefore, the bill is assessed as having no fiscal impact.

Effective Date

The bill takes effect August 5, 2020, if the General Assembly adjourns on May 6, 2020, as scheduled, and no referendum petition is filed.
