Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates \$9,046,331 General Fund to the Department of Education for the State Share of Districts' Total Program Funding line item for FY 2019-20. The additional funding accounts for changes in pupil counts and local revenues to maintain the budget stabilization factor at the dollar value established in the original FY 2019-20 appropriation (\$572,396,894). The appropriation clause also adjusts a footnote in the FY 2019-20

HB20-1260

JBC Staff Analysis

Long Bill to reflect a change in per pupil funding for students participating in the Accelerating Students Through Concurrent Enrollment (ASCENT) program in FY 2019-20 to align with the bill's adjustments to school finance.

Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a supplemental budget package for FY 2019-20 based on the December 2019 Legislative Council Staff revenue forecast. The JBC has included as part of its FY 2019-20 supplemental budget package an increase of \$9,046,331 General Fund associated with this bill.
