Summary of Legislation

The bill extends the repeal date of the Innovative Industries Workforce Development Program (program) until July 1, 2025. Additionally, the bill requires that the General Assembly appropriate \$900,000 from the General Fund to the Division of Employment and Training (division) in the Department of Labor and Employment for program reimbursements.

Background

The program is cooperatively administered by the Colorado Workforce Development Council (CWDC) and the Division of Employment and Training. Employers with high-level internships and apprenticeships in an innovative industry may be reimbursed for up to \$5,000 in expenses per intern. An employer may be reimbursed for no more than 10 interns, and at least half of the reimbursement must be used to pay the interns.

Qualified employers and positions are reviewed and approved by the division. At least 80 percent of the participating employers must have fewer than 100 employees. The CWDC provides technical assistance, promotes the program, and prioritizes applications if there are more internships than available funding. The CWDC also submits an annual report to the finance and business committees of the General Assembly. The CWDC may contract with one or more intermediaries, for up to \$10,000 per intermediary, to assist with certain aspects of the program.

State Expenditures

The bill increases state General Fund expenditures in the Department of Labor and Employment by \$1,074,547 and 1.1 FTE in FY 2020-21, and by \$1,087,427 and 1.3 FTE in FY 2021-22, as shown in Table 2 and discussed below.

Table 2
Expenditures Under HB 20-1346

	FY 2020-21	FY 2021-22
Department of Labor and Employment		
Personal Services	\$77,730	\$93,277
Operating Expenses	\$1,620	\$1,755

Employer Reimbursements	\$900,000	\$900,000
Intermediaries	\$70,000	\$70,000
Travel	\$1,000	\$1,000
Centrally Appropriated Costs*	\$17,997	\$21,395
Total Cost	\$1,074,547	\$1,087,427
Total FTE	1.1 FTE	1.3 FTE

* Centrally appropriated costs are not included in the bill's appropriation.

Administrative costs. Beginning in FY 2020-21, the CDLE and the CWDC requires 1.3 FTE, prorated to 1.1 FTE in the first year to reflect an August start date and General Fund pay date shift. The CDLE requires 1.0 FTE administrator to manage the business and intern application processes, identify qualifying internships, interface with and monitor grant awards, track and analyze program outcomes, and approve and reimburse businesses after internship completion. The CWDC requires 0.3 FTE administrator to provide support to industry intermediaries, promote the program, and complete the annual report for the General Assembly. Additionally, to provide expertise and contacts, the CWDC will expend \$70,000 in each fiscal year, sufficient to obtain assistance in seven innovative industry sectors. These costs reflect a continuation of current levels of staffing, administrative, and intermediary funding.

Employer reimbursements. At the \$900,000 funding level specified in the bill, CDLE will support at least 180 internships, assuming the maximum reimbursement of \$5,000.

Centrally appropriated costs. Pursuant to a Joint Budget Committee policy, certain costs associated with this bill are addressed through the annual budget process and centrally appropriated in the Long Bill or supplemental appropriations bills, rather than in this bill. These costs, which include employee insurance and supplemental employee retirement payments, are estimated to be \$17,997 in FY 2020-21 and \$21,395 in FY 2021-22.

Effective Date

The bill was postponed indefinitely by the House Business Affairs and Labor Committee on May 27, 2020.

State Appropriations

For FY 2020-21, the bill requires a General Fund appropriation of \$1,056,550 and 1.1 FTE to the Department of Labor and Employment.
