## Summary of Legislation

When a state agency is required by law to issue a request for proposals (RFP) pursuant to the Colorado Procurement Code, the bill allows the agency to instead issue any competitive solicitation method allowed by the code, as the agency deems most appropriate and efficient.

## State Expenditures

To the extent that a state agency employs a different competitive solicitation method than an RFP, it may experience a reduction in workload. As any reduction is assumed to be minimal, and no change in appropriations is required.

## Effective Date

This bill was postponed indefinitely by the House Business Affairs and Labor Committee on May 27, 2020.
