FOOTNOTES -- The following statements are referenced to the numbered footnotes throughout section 2.

76 Department of Law, Administration, Health, Life, and Dental -- The General Fund appropriation includes a decrease of \$714,506 that is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund appropriation is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility to absorb the reduction and engage in more considered targeted reductions across all department divisions and programs. This reduction is not intended to reduce the Health, Life, and Dental benefit provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions, be fully paid within personal services appropriations augmented by Department allocations from central benefits appropriations.

77 Department of Law, Legal Services to State Agencies -- In making this appropriation, it is the General Assembly's intent that hourly billing rates charged by the Department for legal services to state agencies not exceed \$110.46 per hour for attorneys and not exceed \$82.05 per hour for legal assistants, which equates to a blended legal rate of \$106.34 per hour.

78 Department of Law, Special Purpose, Litigation Management -- It is the General Assembly's intent to grant the Department of Law additional flexibility by allowing the Department to use money appropriated to this line item to address unanticipated state legal needs that arise during FY 2020-21. It is also the General Assembly's intent that money spent from this line item shall not require the appropriation of additional FTE and will not be used for any type of salary

1 increase, promotion, reclassification, or bonus related to any present or future FTE employed by the Department of Law. It is furthermore the General
 2 Assembly's intent that money spent from this line item will not be used to offset present or future personal services deficits in any division in the Department.
