Amended 2nd Reading

- The person displays, at the point of sale, a conspicuous disclaimer, or gives the purchaser a document with a disclaimer, that:
 - The seller is not licensed and the animals or meat are not subject to state regulation or inspection by a public health agency; and
 - The animals or meat are not intended for resale; and
- The animals or meat are delivered directly from the seller to an informed end consumer, are sold only in Colorado, and the sale does not involve interstate commerce.

The purchaser is prohibited from reselling the animal or meat. The bill clarifies that the seller is not liable in a civil action for damages caused by inadequately cooking or improperly preparing the animal or meat for consumption.

Section 2 limits the number of brand inspections for an animal share sale to a single inspection before slaughter. Each purchaser must be listed on the inspection certificate. The state board of stock inspection commissioners will promulgate rules establishing procedures for a single inspection.
