Amended 2nd Reading

The victim may bring the claim against the organization if the organization knew or should have known of a risk of sexual misconduct against minors participating in the program and the organization did not take action to address the risks or warn participants of the risk. The victim may bring a claim against a public employee or public entity that operates a youth program, including an educational entity operating an educational program or a district preschool program.

The cause of action applies retroactively and is available to a victim of sexual misconduct that occurred before, on, or after January 1, 2022. A person may not waive the right to bring a civil action, and any purported waiver is void as against public policy.

A court or jury shall not allocate any damages awarded in the civil action in any proportion against the victim of the sexual misconduct. A victim may be awarded treble damages under certain circumstances.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) Child sexual abuse differs from adult sexual abuse. Child
5 sexual abuse frequently occurs as repeated episodes that become more
6 invasive over time. Perpetrators, referred to in this act as actors, are
7 typically known and trusted caregivers with unsupervised access to
8 children who engage child victims in a gradual process of sexualizing the
9 relationship, known as "grooming".

10 (b) Child sexual abuse is a significant public health problem in
11 Colorado with long-term effects on the physical and mental health of
12 children, including trauma, increased risk for unintended pregnancy,
13 sexually transmitted infections, low academic performance, truancy,
14 dropping out of school, eating disorders, substance abuse, self-harm, and
15 other harmful behaviors; and

16 (c) Child sexual abuse creates financial burdens for victims,
17 including costs associated with health care, child welfare, special

1 education, short- and long-term physical and mental health treatment,
2 violence and crime, suicide, productivity, and loss of future wages.

3 (2) The general assembly further finds and declares that:

4 (a) Members, employees, agents, and volunteers of an
5 organization can and do commit child sexual abuse and, while
6 organizations are often in the best position to identify perpetrators of
7 child sexual abuse, organizations may cover up instances of child sexual
8 abuse perpetrated by members, employees, agents, and volunteers of the
9 organization;

10 (b) When institutions choose to protect their power and profit by
11 concealing the truth, the cover-up is a distinctly different harm than the
12 child sexual abuse being concealed and, therefore, victims must have
13 access to recourse against the organization.

14 (3) The general assembly further finds and declares:

15 (a) The vast majority of child sexual abuse goes unreported
16 because children often lack the knowledge needed to recognize sexual
17 abuse or lack the ability to articulate that they've been abused; do not have
18 an adult they can disclose their abuse to; do not have opportunities to
19 disclose abuse; often are not believed when they try to disclose; or, when
20 the sexual abuse is committed by an esteemed trusted adult, for example
21 a faith leader, coach, adult volunteer, youth group leader, or teacher, it
22 may be hard for the child to view the perpetrator in a negative light and,
23 therefore, identify what has been done to them as abuse;

24 (b) When victims of child sexual abuse do report, a high
25 percentage of them delay disclosure well into adulthood, after the
26 expiration of the time permitted to file civil actions against those
27 responsible for the abuse; and

1 (c) Because of the delay in disclosure, statutes of limitations are
2 often used to deny and defeat claims of childhood sexual abuse.

3 (4) Therefore, the general assembly determines that:

4 (a) This act does not revive any common law cause of action that
5 is barred and instead creates a new right for relief for any person sexually
6 abused in Colorado while the person was participating in a youth-related
7 activity or program as a child;

8 (b) Creating a new civil cause of action that allows all victims of
9 child sexual abuse, including those who delayed reporting the abuse well
10 into adulthood after the statute of limitations on an action has expired, to
11 hold the abusers and organizations accountable is in the best interest of
12 the state's public health and safety and is needed to address the long
13 history of child sexual abuse that occurred within organizations that are
14 culpable and complicit in the abuse; and

15 (c) Establishing a civil cause of action that allows for victims of
16 child sexual abuse to bring a claim against perpetrators of abuse, referred
17 to in this act as actors, and responsible organizations is related to a
18 legitimate governmental interest of allowing victims of child sexual abuse
19 to hold the abusers and enablers accountable.
