SENATE  
2nd Reading Unamended  
March 5, 2021

1, 2020, which has the same 5-year period for property to be presumed abandoned but has different owner activities that rebut the presumption of abandonment. It also delays the time that a financial organization is required to deliver this property to the administrator, if a penalty or forfeiture in the payment of interest would result from the delivery of the property.

**Section 4** repeals the requirement that the administrator's record of persons appearing on the holders' reports be available for inspection.

**Section 5** repeals the prohibition on the administrator including the home or physical address of an apparent owner when providing additional identifying information concerning the apparent owner's property in published notices and on the website.
