unemployment assistance relief payments to eligible individuals who are unemployed through no fault of their own, who meet specified criteria, and who are ineligible for regular unemployment benefits due to their immigration status. The bill requires the department to contract with a third-party administrator to administer the program. The third-party administrator must provide outreach to unemployed individuals who may be eligible to receive unemployment assistance relief payments, screen applicants for eligibility, and make payments to eligible individuals.

The bill establishes the left-behind workers fund (fund) as part of the enterprise that is administered by the division. The fund consists of a percentage of the premium currently assessed by the division and paid by employers.

The bill includes the employment support fund as part of the enterprise that is administered by the division.
