Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates a total of \$108,383 General Fund to the Legislative Department FY 2021-22. This provision also states that the appropriation is based on the assumption that the Department will require an additional 1.4 FTE.

Points to Consider*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2021-22 based on the March 2021 Legislative Council Staff revenue forecast. The budget package includes a set aside of \$48.0 million General Fund for bills that require General Fund appropriations for FY 2021-22. This bill requires a General Fund appropriation of \$108,383 for FY 2021-22, reducing the \$48.0 million set aside by the same amount.

Technical Issues

As identified in the Technical Note on page 4 of the Fiscal Note, a provision in the bill requires Legislative Council Staff (LCS) and the Office of Legislative Legal Services (OLLS) to provide staff support for the committee within existing appropriations. As identified in the State Expenditures section on page 3 of the Fiscal Note, there are no existing appropriations available to implement the bill. The provision also specifies that, if appropriations are not available, they should be requested through the annual budget process. While the bill becomes effective upon passage, staff support from LCS and OLLS can not be provided for the Task Force without an appropriation.
