Fiscal Impact of Bill as Amended to Date

The most recent Legislative Council Staff Revised Fiscal Note (attached) reflects the fiscal impact of the bill as of 05/31/21.

	No Change: Attached LCS Fiscal Note accurately reflects the fiscal impact of the bill
	Update: Fiscal impact has changed due to <i>new information or technical issues</i>
XXX	Update: Fiscal impact has changed due to <i>amendment adopted</i> after LCS Fiscal Note was prepared
	Non-Concurrence: JBC Staff and Legislative Council Staff disagree about the fiscal impact of the bill

The House Finance Committee Report (06/02/21) makes a number of changes to the bill including moving the deadline for the Attorney General's Office to adopt rules for universal mechanisms for consumers to opt-out of the processing of personal data for advertising or sale from December 31, 2023 to July 1, 2023. This change requires research, drafting, and rule promulgation activities to occur in FY 2022-23. The Department of Law estimates the fiscal impact in FY 2022-23 to be \$37,681 cash funds and 0.3 FTE from the Consumer Protection Custodial Fund, however, because the effective date of the bill is July 1, 2023, the General Assembly cannot appropriate funds to the Department of Law to fulfill this obligation.
