JBC Staff Analysis

General Fund Impact

The Joint Budget Committee (JBC) has proposed a budget package for FY 2021-22 based on the March 2021 Legislative Council Staff revenue forecast. The JBC has included as part of its FY 2021-22 budget package the \$3.0 million General Fund revenue decrease that would result from the passage of this bill. Specifically, the JBC package includes a place holder of \$800.0 million General Fund for those bills that are part of the "State Stimulus Package", and this bill is part of that package.
