## Summary of Legislation

The bill requires that at least one member of the 5-member Limited Gaming Control Commission be a registered elector of Gilpin or Teller County. While the commission member meeting this new criteria can also be the member who satisfies other professional or experience for the commission specified in statute (i.e., a person with law enforcement experience, an attorney, or an accountant), they cannot take the place on the commission reserved for a person employed in the gaming industry.

## Assessment of No Fiscal Impact

Specifying the eligibility criteria for the composition of the Limited Gaming Control Commission in the Department of Revenue does not change the revenue, expenditures, or workload of any state agency or local government. For this reason, the bill is assessed as having no fiscal impact.

## Effective Date

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.
