Summary of Legislation

The bill amends the composition of the Colorado opportunity scholarship initiative advisory board and allows non-state employed members to receive per diem and expense reimbursements.

Assessment of No Fiscal Impact

The fiscal note assumes that about four non-state employee members will receive per diem, which aligns with reimbursement amounts paid to board members under current law. The number of meetings and board duties are not expected to change, and as a result, the bill has no impact on the revenue, expenditures, or workload of any state or local agency. For these reasons, the bill is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor and took effect May 7, 2021.
