Summary of Legislation

The bill creates the Public Employees' Retirement Association (PERA) Payment Cash Fund in the State Treasury to consist of money appropriated or transferred by the General Assembly and any interest payments. The State Treasurer is required to pay the General Fund portion of the direct distribution payment due to PERA on July 1, 2022, from the fund. Subject to annual appropriation, money in the fund may be used by the state for any employer contribution or disbursement to PERA.

Background

Pursuant to Senate Bill 18-200, the state is required to make a direct distribution of \$225.0 million on July 1 each year to PERA until the unfunded liabilities of the state, judicial, school, and Denver Public Schools (DPS) divisional trusts are paid. HB 20-1379 suspended the direct distribution for one year. PERA is required to credit these funds proportionally to the relevant divisional trusts based on the reported payroll for each participating division for the prior plan year ending December 31. Every year, PERA must determine the unfunded liability status of each division by September 1, and notify the Office of State Planning and Budgeting and the Joint Budget Committee when a division's unfunded liability has been paid and the direct distribution is no longer required.

State Transfers

The bill appropriates \$380.0 million from the General Fund to the PERA Payment Cash Fund in the current FY 2020-21. This transfer represents an upfront contribution toward future-year PERA direct distribution payments, as described in the State Expenditures section below.

State Expenditures

While the bill does not increase net expenditures for PERA direct distribution payments, it is expected to shift approximately \$167.4 million in required FY 2022-23 spending from the General Fund to the newly created PERA Payment Cash Fund; this amount is based on the fund split in the FY 2021-22 Long Bill. After making the required direct distribution payment to PERA on July 1, 2022, \$212.6 million will remain in the PERA Payment Cash Fund for annual appropriation by the General Assembly.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.

State Appropriations

For the current FY 2020-21, the bill includes an appropriation of \$380,000,000 from the General Fund to the PERA Payment Cash Fund.
