SENATE  
3rd Reading Unamended  
February 22, 2022

Current law requires the owner of a truck to present a manufacturer's certificate of origin or a certified scale ticket if the truck is subject to certain weight-based fees and weighs more than 4,500

pounds but not more than 10,000 pounds. This weight includes mounted equipment other than recreational equipment. The bill makes 2 changes to these requirements:

- The requirement only applies when the truck's weight has been substantially modified; and
- The truck must be weighed rather than using a manufacturer's certificate of origin to show shipping weight.

8 employee acting in an official capacity under the provisions of this article  
9 THIS ARTICLE 14.

10           **SECTION 3. Act subject to petition - effective date -**  
11 **applicability.** (1) This act takes effect at 12:01 a.m. on the day following  
12 the expiration of the ninety-day period after final adjournment of the  
13 general assembly; except that, if a referendum petition is filed pursuant  
14 to section 1 (3) of article V of the state constitution against this act or an  
15 item, section, or part of this act within such period, then the act, item,  
16 section, or part will not take effect unless approved by the people at the  
17 general election to be held in November 2022 and, in such case, will take  
18 effect on the date of the official declaration of the vote thereon by the  
19 governor.

20           (2) This act applies to vehicles registered as a result of a change  
21 in ownership that occurs on or after the applicable effective date of this  
22 act.
