101 **CONCERNING THE USE OF REVENUE FROM A LOCAL TAX ON LODGING.**

**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

**Section 1** of the bill amends the authority of a local marketing district (district) to allow it to use the proceeds of its marketing and promotion tax levied on rooms or accommodations (marketing and promotion tax) for activities related to workforce recruitment, management, and development and for facilitating and enhancing visitor experiences. It also allows a district to make capital expenditures related to these purposes, as well as for business recruitment, management, and development.

HOUSE  
Amended 2nd Reading  
February 15, 2022

If a district's allowable uses of the marketing and promotion tax revenue approved by voters prior to January 1, 2022, do not include an additional use, then under **section 2**, the district will require subsequent voter approval to use the marketing and promotion tax revenue for that purpose.

Counties are currently authorized, with prior voter approval, to levy a county lodging tax for the purpose of advertising and marketing local tourism. **Section 3** expands the lodging tax to allow the revenue to also be used for:

- Economic development;
- Workforce recruitment, management, and development; or
- Facilitating and enhancing visitor experiences.

If a county already has a lodging tax that is limited to advertising and marketing local tourism, then the county must obtain voter approval to begin using the lodging tax revenues for any or all of these additional purposes.

Beginning January 1, 2023, **section 3** also requires any person or entity collecting the county lodging tax to remit the tax revenue to the department of revenue with the same filing frequency as the person or entity remits and files sales tax, instead of quarterly.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 hereby finds and declares that:

4 (a) In recent years, the role of destination marketing and  
5 management organizations in Colorado has evolved to not only support  
6 economic growth through tourism, but also to address the social, cultural,  
7 and environmental issues related to tourism. In addition to inspiring travel  
8 to and within a destination and enhancing a visitor's experience,  
9 destination marketing and management organizations now use their  
10 expertise to protect our destinations' cultural and natural assets and  
11 improve our residents' quality of life. For example, the Colorado tourism  
12 office has embedded destination stewardship and sustainable travel  
13 principles into its strategic plans, annual campaigns, and key  
14 programming.

1 (b) Destination marketing and management organizations across  
2 the state are increasingly using their marketing budgets and robust  
3 communication channels to disperse travelers and educate visitors on how  
4 to travel responsibly and lessen their impact. With values-based  
5 marketing campaigns and educational programs like the Colorado tourism  
6 office's "Care for Colorado" and "Do Colorado Right", these  
7 organizations are well-positioned to deliver messages that encourage the  
8 positive change our communities ask all visitors--local, domestic, and  
9 international--to adopt while in Colorado.

10 (c) The strides and responsive nature of this marketing approach  
11 play a key role in ensuring that visitors responsibly enjoy their stays in the  
12 state. A visitor's experience is also heavily influenced by the host  
13 community's ability to support their residents and local workforce with  
14 housing and other essential services, as well as a strong quality of life that  
15 comes with our amazing natural and cultural assets. A thriving  
16 community ensures more positive visitor interactions and experiences in  
17 our restaurants, on our trails, and throughout our main streets. This, in  
18 turn, increases the likelihood that a visitor will return and continue to  
19 support our local businesses. Robust support for our residents' needs is  
20 essential to the long-term health of both our communities and our  
21 economy.

22 **SECTION 2.** In Colorado Revised Statutes, 29-25-111, **amend**
