Operations of the department of early childhood: The bill establishes the powers, functions, and responsibilities of the department of early childhood (department) and the executive director of the department (executive director) in overseeing and administering early childhood and family support programs and services (programs and services). The bill relocates most programs from the department of human services and the department of education to the department, effective July 1, 2022; the authority to operate a preschool program transfers July 1, 2023. The department may enter into memoranda of understanding and interagency agreements to allow the department of human services and the department of education to continue operating programs, as necessary, to accomplish the transfer of programs, personnel, property, records, information systems, and funding to the department over time without interruption of service. Any existing contracts, claims, and liabilities that pertain to the transferred programs and functions transfer to the department. The rules that pertain to a particular program or function that is transferred to the department remain in effect and apply to the department and to persons or entities affected by the programs and functions until the executive director repromulgates the rules. The department is authorized to accept, use, and administer federal money made available for the purpose of early childhood programs and services operated by the department.

Department rules (pgs 9-13): The bill authorizes the executive director to promulgate rules for the department and the programs administered by the department. The executive director must convene a 15-member rules advisory council (council) to provide consultation and advice with regard to the rules of the department and the programs administered by the department. The bill establishes the membership of the council to include a variety of persons who have experience with programs and services.

The bill requires the department to:

- Exercise specified functions and the bill specifies principles the department must follow in exercising the functions; (pgs 19-24)
- Develop and implement a single, unified electronic application for families to use to apply for all publicly funded early childhood programs and services the department administers. The application must be functional by July 1, 2023, for purposes of the Colorado universal preschool program (preschool program). (pgs 24-25)
- Work with local coordinating organizations, state and local agencies, and program providers to collect, share, manage, use, and protect data pertaining to programs and services.

http://leg.colorado.gov/)
The department must regularly inform the public of progress made in improving the delivery of programs and services. (pgs 25-29)

- Contract with a public or private entity to independently evaluate the department's governance and performance after the first 3 years of operation and to evaluate early childhood programs that were not transferred to the department and recommend whether to transfer those programs. By November 1, 2025, the independent evaluator must submit the report to the governor, the early childhood leadership commission, and committees of the general assembly. (pgs 29-31)

- Collaborate with other state departments to prepare an annual report concerning transitioning and implementing programs and services and cross-agency collaboration. The department shall include the report in its annual hearing pursuant to the "State Measurement for Accountable, Responsive, and Transparent (SMART) Government Act". (pgs 31-33)

**Local coordinating organization (pgs 33-52):** The bill directs the department to solicit applications from local public entities and nonprofit organizations to serve as local coordinating organizations (LCOs) in communities throughout the state. The department must review the applications and, to the extent possible, select an LCO for every community in the state. If there is an area for which an LCO is not selected, the department will serve as the LCO until an organization is selected. An LCO is responsible for working with the families, program and service providers, and local governments in the community and with the department to increase access to, coordinate, and allocate funding for program and service providers in the community. The bill specifies the responsibilities of the LCO, including the requirement to adopt a community plan (plan), subject to approval by the department, to address specified issues, including:
  - Assisting families in applying for programs and services;
  - Recruiting and ensuring a mixed delivery system of public and private preschool program providers;
  - Allocating funding among providers, based on parent choice, to maximize funding to meet community needs for programs and services;
  - Supporting increased recruitment and retention of individuals in the early care and education workforce;
  - Securing additional local resources and funding for programs and services; and
  - Providing transparency concerning the amount of money available for and used to support programs and services.
The LCO must submit the proposed plan to the department, and the department may require revisions before approving the plan. The department shall enter into a coordinator agreement with each LCO that specifies the duties of the LCO in implementing the plan; other responsibilities the LCO must meet, including responsibilities concerning the preschool program; performance expectations that the LCO is to meet; and the duties of the department to support and assist the LCO. The term of the initial coordinator agreement is 3 years and subsequent agreements must have 3- to 5-year terms. At the conclusion of a coordinator agreement, the department must solicit and review LCO applications for the community and may select the same or a new organization to serve as the LCO. The bill specifies the department's duties concerning LCOs, including annually reviewing each LCO's performance.

**Transfer of department of human services programs:** Effective July 1, 2022, the bill transfers the authority for the following programs and functions from the department of human services to the department. The programs are relocated within the bill without substantive change, except as noted:

- Early childhood councils (pgs 52-63);
- Family resource centers (pgs 63-71);
- The child abuse prevention trust fund (pgs 71-80);
- The child care services and substance use disorder treatment pilot program (pgs 81-83);
- Early intervention services for infants and toddlers (pgs 83-108);
- The Colorado nurse home visitor program (pgs 108-122);
- Social-emotional learning programs grant program (pgs 122-128). The bill codifies the social-emotional learning programs grant program, currently operated by the department of human services as the incredible years program, to provide grants to operate programs for teachers and parents and directly for young children. The department shall administer the grant program in collaboration with an implementation partner that the department selects. The bill specifies the duties of the implementation partner, the grant application requirements, and the program and curriculum requirements a grantee must meet.
- The early childhood mental health consultation program (pgs 128-137);
- Emergency relief grant programs (pgs 137-158);
- The Colorado child care assistance program (CCCAP) (pgs 159-183). The bill requires the department, after consulting with county departments of human and social services and child care providers and by July 1, 2025, to develop a
calculation for provider rates that more accurately reflects the cost of child care, while still complying with federal law and procedures. The bill authorizes the executive director to adjust the percentage of the federal poverty rate used to determine eligibility for child care assistance in order to align eligibility across early care and education programs to the extent allowed by federal law. Effective July 1, 2023, a county shall not require a person who applies for child care assistance to participate in child support establishment, modification, or enforcement services. Beginning July 1, 2023, a county may give priority for services to a working family over a family enrolled in postsecondary education or workforce training only if the county does not have sufficient funding and has approval for the prioritization from the department. Each county shall pay providers for care in alignment with common private-market practices, and the department rules for payment policies must not be based on daily reimbursement rates and must incentivize providers to promote regular program attendance. The bill requires the executive director to adopt rules pertaining to children who are enrolled in both CCCAP and the preschool program to ensure funds may be blended or braided at the state and local levels and eligibility and authorization for services are aligned, to the extent practicable. Each county must enter into an annual performance contract with the department with regard to implementing CCCAP.

- Quality improvement initiatives for early childhood care and education programs (pgs 225-233);
- Colorado infant and toddler quality and availability grant program (pgs 233-237);
- Child care licensing (pgs 237-330). The bill transfers from the department of human services to the department the authority for licensing child care centers, family child care homes, and other facilities generally providing less than 24-hour care for children. The licensing authority is transferred without substantive change except for the creation of a public preschool provider license that is focused on ensuring the health and safety of children in public preschool classrooms. The authority for licensing residential and day treatment facilities and child placement agencies remains in the department of human services.
- Early childhood workforce development (pgs 330-335). The bill requires the department to create a plan for recruiting, training, and retaining a well-compensated,
well-prepared, high-quality early childhood workforce and specifies the issues to be addressed. The department must make the plan publicly available on the department's website and submit a copy to the early childhood leadership commission, the governor's office, and committees of the general assembly. The department must collaborate with other state departments to periodically review and assess the implementation of recruitment, preparation, professional development, and retention initiatives for the early childhood workforce.

Transfer of department of education programs: Effective July 1, 2022, the bill transfers responsibilities concerning early childhood workforce development, including the professional development information system, from the department of education to the department. Effective July 1, 2023, the bill moves the authority to operate a statewide preschool program from the department of education to the department.

Colorado universal preschool program (pgs 183-225): The bill creates the Colorado universal preschool program to provide 10 hours per week of preschool services for children in the year preceding eligibility for kindergarten, including children with disabilities (universal preschool services); preschool services for all 3-year-old children with disabilities and a limited number of other 3-year-old children who are in low-income families or meet qualifying factors; preschool services for children younger than 3 years of age in limited circumstances; and additional hours of preschool services in the year preceding eligibility for kindergarten (additional preschool services) for children who are in low-income families or meet qualifying factors.

The department shall administer the preschool program, which will begin enrolling students for the 2023-24 school year. The department shall work with the LCOs to make available throughout the state a mixed delivery system of public and private preschool providers to accommodate parent choice. The executive director shall, by rule, establish quality standards, as described in the bill, that preschool providers must meet. The department shall collaborate with the department of education through an interagency agreement to ensure all 3- and 4-year-old children with disabilities are served in accordance with federal and state requirements for children with disabilities.

The department shall implement a process of continuous evaluation and improvement for preschool providers and contract with an independent evaluator to measure the preschool program's success in improving the overall learning and school readiness of children who are served in the preschool program. The department shall publicly communicate the evaluation results and consider the results in reviewing the preschool quality standards; recruiting, training, and retaining a high-quality early childhood workforce; and establishing goals for the
preschool program.

The department shall annually establish per-child rates for universal preschool services; preschool services for children 3 years of age and, in limited circumstances, younger; and additional preschool services. The department shall by rule establish the formulas for determining the per-child rates, taking into account the cost of providing preschool services and variations in the cost resulting from regional differences and circumstances and from characteristics of children who enroll in the preschool program. In addition to distributing preschool program funding based on the per-child rates, the department may distribute funding to preschool providers to achieve specified purposes. The department shall distribute the funding to preschool providers throughout the fiscal year based on preschool enrollment, and each preschool provider shall use the funding only to pay the costs of providing preschool services.

In allocating the preschool funding, the department must prioritize funding for universal preschool services, including services for children with disabilities; preschool services for 3-year-old children with disabilities; and preschool services for other 3-year-old, and in limited circumstances younger, children up to a specified amount. The department may then allocate funding for additional preschool services, first for children who are in low-income families and meet qualifying factors, and for specified purposes.

Each preschool provider that is a school district or charter school shall provide preschool and special education local contribution amounts that are based on the school district's local share of 50% of its per pupil revenues and the number of children enrolled by the school district or charter school in preschool for the 2022-23 fiscal year and the number of 3-year-old children with disabilities that the school district or charter school annually enrolls in preschool. The department shall decrease the amount of preschool funding distributed to each school district and charter school based on the amount of the school district's or charter school's local contributions.

Funding for the preschool program is paid from money appropriated to the preschool programs cash fund (fund), which consists of a portion of the taxes collected on sales of cigarettes and other tobacco and nicotine products and other amounts that the general assembly transfers or appropriates to the fund. For the 2023-24 fiscal year and each fiscal year thereafter, the general assembly is required to transfer to the fund an amount equal to the state share of total program attributable to preschool enrollment for the 2022-23 fiscal year, increased annually by the rate of inflation, plus an amount necessary to ensure that all 3-year-old children with disabilities who are enrolled in the preschool program are funded at the per-child rate for the applicable fiscal year.

Beginning in January of 2024, the department shall include in its
annual "SMART Act" report specified information concerning implementation of the preschool program and post the information on the department's website.

Conforming amendments (pgs 335-485): The bill makes substantive and technical conforming amendments to address the relocation of programs and functions to the department, including re-creating the provisions for licensing residential and day treatment facilities and child care placement agencies by the department of human services.

PART 2

EARLY CHILDHOOD COUNCILS

26.5-2-201. [Formerly 26-6.5-101] Legislative declaration.

(1) The general assembly hereby finds and declares that there is a critical
need to increase services for young children and their families, including
those families with members who are entering the workforce due to
Colorado's reform of the welfare system, making the transition off of
welfare, or needing child care assistance to avoid the welfare system. The
statewide need includes increasing and sustaining the quality, accessibility, capacity, and affordability of services for children and their parents to help parents raise their children to be successful at school, at work, and in the community.

(2) Research demonstrates that there are positive outcomes for young children and their families who receive quality, integrated child care and related services in their early, preschool years, delivered through a comprehensive early childhood system that includes quality care and education, family support, health, and mental health programs.

(3) Providers of half-day preschool and full-day child care services have to overcome barriers and inflexible requirements of the various sources of funding in order to design and implement programs that are more responsive to the needs of working families.

(4) Consideration of various state and federal funding sources would allow for an integrated delivery system of quality programs for young children and their families in Colorado's communities.

(5) An integrated delivery system would further enhance the ability of the state department to identify the best practices relative to increasing and sustaining quality and to meeting the diverse needs of families seeking child care and other early childhood services.

(6) Distinctly local needs and conditions require that the state design and integrate a system that has the flexibility to adapt to those local needs.

(7) It is therefore in the state's best interest to establish a comprehensive system of early childhood councils to increase and sustain the availability, accessibility, capacity, and quality of early childhood services throughout the state, as provided in this part.

ARTICLE 3
Family and Child Health and Well-being

PART 1
FAMILY RESOURCE CENTERS

26.5-3-101. [Formerly 26-18-101] Legislative declaration. (1) The general assembly hereby declares that Colorado needs healthy and cohesive families at all income levels in order for the state to be economically viable. A number of families in communities throughout Colorado temporarily may not have access to the basic necessities of life or to resources or services designed to promote individual development and family growth.
(2) The general assembly further declares that many of Colorado's vulnerable families, individuals, children, and youth do not necessarily live in at-risk neighborhoods. Such persons may not have appropriate resources or sufficient income for adequate housing, health care, or child care because the primary wage earners are unemployed or underemployed or work at jobs that pay minimum wage or less. Further, many of these persons not only live in poverty but also experience divorce or domestic violence or are single parents. Children and youth who are raised in vulnerable families experience an increased risk of being abused, being illiterate, being undereducated, dropping out of school, becoming teen parents, abusing drugs, and engaging in at-risk behaviors, including but not limited to criminal activities. Such children and youth are often influenced by and are likely to repeat behaviors that began with their parents.

(3) Therefore, the general assembly finds that it is appropriate to establish a program to provide family resource centers in communities to serve as a single point of entry for providing comprehensive, intensive, integrated, and collaborative state and community-based services to vulnerable families, individuals, children, and youth.

COORDINATED SYSTEM OF PAYMENT FOR EARLY INTERVENTION SERVICES FOR INFANTS AND TODDLERS

26.5-3-401. [Formerly 27-10.5-701] Legislative declaration.

(1) The general assembly hereby finds that:

(a) There is an urgent and substantial need to enhance the development of infants and toddlers with disabilities, to minimize their potential for developmental delay, and to recognize the significant brain development that occurs during a child's first three years of life;

(b) The longer a child's developmental delays are not addressed, the more developmental difficulties the child will experience in the future, the less prepared the child will be for school, the more special education needs the child is likely to have, and the more costly those problems will be to address;
(c) The capacity of families to meet the special needs of their infants and toddlers with disabilities needs to be supported and enhanced;

(d) Colorado's system for providing early intervention services to eligible infants and toddlers from birth through two years of age with significant developmental delays and disabilities relies on multiple sources of funding;

(e) The early childhood and school readiness commission, which was the successor of the child care commission, was created in the 2004 legislative session to study, review, and evaluate the development of plans for creating a comprehensive early childhood system;

(f) The early childhood and school readiness commission extensively studied and evaluated issues regarding early intervention services for infants and toddlers who have delays in development and learned that there is no coordinated system of payment for early intervention services, resulting in the provision of disjunctive or interrupted services to eligible children and inadequate reimbursement of early intervention service providers;

(g) The early childhood and school readiness commission was also informed that many eligible children are covered as dependents by their parents' health-care plans, but some of the plans may deny benefits for early intervention services, thereby eliminating a source of private funds for the payment of early intervention services;

(h) Pursuant to part C of the federal "Individuals with Disabilities Education Act", 20 U.S.C. sec. 1400 et seq., there is an urgent and substantial need to facilitate the coordination of payment for early intervention services from federal, state, local, and private sources, including public medical assistance and private insurance coverage;
(i) Existing levels of local, state, federal, and private funding may be more efficiently used, more children may be served, and a higher quality of services may be provided if the existing early intervention system is modified to create a more coherent and coordinated system of payment for early intervention services;

(j) The involvement of a child's primary health-care provider and other health-care providers is an essential component of effective planning for the provision of early intervention services; and

(k) The provision of early intervention services is intended only to meet the developmental needs of an infant or toddler and not to replace other needed medical services that are recommended by the child's primary health-care provider.

PART 5
COLORADO NURSE HOME VISITOR PROGRAM

26.5-3-501. [Formerly 26-6.4-101] Short title. This article shall be known and may be cited as THE SHORT TITLE OF THIS PART 5 IS THE "Colorado Nurse Home Visitor Program Act".

26.5-3-502. [Formerly 26-6.4-102] Legislative declaration. (1) The general assembly hereby finds that in order to adequately care for their newborns and young children, new mothers may often benefit from receiving professional assistance and information. Without such
assistance and information, a young mother may develop habits or
practices that are detrimental to her health and well-being and the health
and well-being of her child. The general assembly further finds that
inadequate prenatal care and inadequate care in infancy and early
childhood often inhibit a child's ability to learn and develop throughout
his or her THE CHILD'S childhood and may have lasting, adverse effects on
the child's ability to function as an adult. The general assembly recognizes
that implementation of a nurse home visitor program that provides
educational, health, and other resources for new young mothers during
pregnancy and the first years of their infants' lives has been proven to
significantly reduce the amount of drug, including nicotine, and alcohol
use and abuse by mothers, the occurrence of criminal activity committed
by mothers and their children under fifteen years of age, and the number
of reported incidents of child abuse and neglect. Such a program has also
been proven to reduce the number of subsequent births, increase the
length of time between subsequent births, and reduce the mother's need
for other forms of public assistance. It is the intent of the general
assembly that such a program be established for the state of Colorado,
beginning with a limited number of participants and expanding by the
year 2010 to be available to all low-income, first-time mothers in the state
who consent to receiving services.

(2) The general assembly further finds that, to implement such a
program efficiently and effectively and to promote the successful
implementation of partnerships between state public entities and the
private sector, responsibility for the program should be divided between
the state department, which shall be IS responsible for financial
administration of the program, and a health sciences facility at the
university of Colorado, which shall be responsible for programmatic and clinical support, evaluation, and monitoring for the program, and such other responsibilities as described in this article PART 5. It is the intent of the general assembly that the state department and the health sciences facility work collaboratively to share information in order to promote efficient and effective program implementation; however, neither entity is responsible for the other entity's statutorily prescribed duties.

PART 8

EMERGENCY RELIEF GRANT PROGRAMS

26.5-3-801. [Formerly 26-6-801] Legislative declaration.

(1) The general assembly finds and declares that:

(a) Colorado's economic recovery depends on its workforce having access to stable, high-quality, and affordable child care. Supporting the ability of Colorado's workforce to return to work during and after the COVID-19 public health emergency is estimated to have an economic enabling effect of more than four billion four hundred million dollars in income.

(b) The COVID-19 public health emergency has significantly impacted Colorado's child care sector by reducing child care provider revenues while at the same time increasing expenses. Child care provider operating costs have increased to include additional daily cleaning, daily health monitoring, supplying personal protective equipment for child care workers, and lower staff-to-child ratios to allow for sufficient physical
distancing.

(c) In Colorado, this additional cost burden has forced ten percent of the state's child care providers to close their doors since March 2020. Almost three-quarters of all child care providers indicate they have or will engage in layoffs, furloughs, or pay cuts. For minority-owned or operated child care providers, this figure is even higher. More than twenty-five percent of existing child care providers report that closure is imminent without some kind of financial intervention.

(d) Child care providers generate revenue primarily through enrollment and tuition fees and the business model depends on full enrollment;

(e) At every stage of the COVID-19 public health emergency, parents have been faced with the difficult choice to pull their children from child care, either due to health concerns or because the economic recession has impacted their ability to afford it. Statewide, enrollment in child care for children less than five years of age has decreased by thirty-nine percent since the COVID-19 public health emergency began.

(f) Colorado faces other ongoing threats to the child care sector's sustainability, including high turnover and low pay in the child care profession, as well as the prohibitively expensive cost of opening and operating a child care program;

(g) More than half of Coloradans live in a "child care desert", where there are more than three children less than five years of age for each single available child care opening. Some rural areas completely lack licensed child care providers. Statewide, Colorado faces a dramatic shortage of at least thirty-nine thousand spots for infants and toddlers.

(h) Most child care in Colorado is owned or operated by women,
and more than forty percent of our child care workforce is composed of women of color. Furthermore, throughout the COVID-19 public health emergency, women of color have been more likely to be on the front lines as essential workers and are more likely to lose their jobs.

(i) Despite women's steadily increasing labor participation rates and earning trajectories over the past twenty-five years, the COVID-19 public health emergency threatens to set back a generation of progress. When women exit the workforce, they face more barriers than men do to return, and their future earning potential and path to retirement security suffers.

(j) Women have been disproportionately impacted by the COVID-19 public health emergency: Almost one hundred seventy-nine thousand women left Colorado's labor force between February and May 2020, compared to eighty-eight thousand men. Nationally, four times as many women as men dropped out of the labor force in September 2020 alone. The impact of this trend on the United States' economy and the well-being of women and families is estimated to amount to approximately sixty-four million five hundred thousand dollars in lost income and economic activity.

(2) (a) Therefore, the general assembly finds it is a matter of statewide concern that we take immediate action to save and protect our child care infrastructure, including offering a wide range of child care options, including but not limited to public and private child care centers, day care centers, school-age child care centers, before- and after-school programs, nursery schools, kindergartens, preschools, church day care centers, day camps, summer camps, facilities for children with intellectual and developmental disabilities, and other facilities described in section

-139-   HB22-1295
(a) The general assembly further finds that, to assist the state's workforce in returning to work and maintaining employment without facing the difficult choice between working and accessing quality child care, it is critical that the state allocate and quickly distribute funding to existing and new child care providers throughout the state.

(1) The general assembly hereby finds and declares that:

(a) The state's policies in connection with the provision of child care assistance and the effective delivery of such assistance are critical to the ultimate success of any welfare reform program;

(b) Children in low-income families who receive services through a child care assistance program need and deserve the same access to a broad range of child care providers as do children in families who do not need assistance;

(c) It is critical to provide low- to moderate-income families with access to high-quality, affordable child care that fosters healthy child development and school readiness, while at the same time promotes family self-sufficiency and attachment to the workforce; and

Notwithstanding the provisions of section 24-1-136 (11)(a)(I), copies of the study must be provided to the joint budget committee on or before January 2, 2024, and on or before January 2 every three years thereafter. No later than July 1, 2025, and at least every three years thereafter, the department, in consultation with county departments and child care providers, shall develop the calculation of provider rates with the goal of eventually ensuring the provider rates more accurately reflect the cost of child care rather than families' ability to pay. The department may contract for assistance in developing the calculation. The calculation must account for the cost of quality care and may vary by age group, region, and type of care. The department must ensure that the calculation of provider rates complies with federal regulations and, if required by federal law, must obtain approval before changing the calculation of or process for setting the provider rates.

The block grant shall be based upon each county's percentage of the estimated total number of children eligible to participate in CCCAP times the appropriate reimbursement rate for each county as determined by the state required by section 26-2-803. Counties are only required to spend the state CCCAP allocation and the maintenance of effort for that allocation.

(2) (a) The department may adjust the amount of each county's block grant determined by subsection (1) of this section. The executive director shall, in consultation with the counties, adopt rules regarding adjustments to the amount of a block grant, and the rules must address the
following factors:

(II) The cost of high-quality early childhood programs;

(III) The cost of programs;

(IV) The regional market rates for CCCAP OR COSTS FOR CHILD CARE;

(5) For state fiscal year 2005-06 and for each state fiscal year thereafter, each county is required to meet a level of county spending for CCCAP that is equal to the county's proportionate share of the total county funds set forth in the annual general appropriation act for CCCAP for that state fiscal year. The level of county spending is known as the county's maintenance of effort for CCCAP for that state fiscal year. For
any state fiscal year, the state department is authorized to adjust a county's maintenance of effort, reflected as a percentage of the total county funds set forth in the annual general appropriation act for CCCAP for that state fiscal year, so that the percentage equals the county's proportionate share of the total state and federal funds appropriated for CCCAP for that state fiscal year. For any state fiscal year, the sum of all counties' maintenance of effort must be equal to or greater than the total county funds set forth in the general appropriation act for the state fiscal year 1996-97 for employment-related child care.

26.5-4-106. [Formerly 26-2-805] Services - eligibility - assistance provided - waiting lists - rules - exceptions from cooperating with child support establishment - repeal. size if it

(I) is serving all eligible families who have applied for CCCAP
and whose income level is below that requirement.

(II) Uses only local money to serve such families.

(b) If, during a participant's, person's, or family's twelve-month
eligibility period, the participant's, person's, or family's income rises to or
above the level set by the state board DEPARTMENT rule at which the
county may deny such participant, person, or family child care assistance,
the county shall continue providing the current CCCAP subsidy until that
participant's, person's, or family's next twelve-month redetermination.

(c) If, at the time of a participant's, person's, or family's
twelve-month eligibility redetermination, the participant's, person's, or
family's income rises to or above the level set by the state board
DEPARTMENT RULE at which the county may deny child care assistance,
or if that income level rises above the maximum federal eligibility level

size, the county shall immediately notify the participant, person, or family
that it is no longer eligible for CCCAP.

(d) and (e) Repealed.

(3) (a) Subject to available appropriations, pursuant to rules
promulgated by the state board for implementation of this part
and except as provided for in paragraph (b) of this subsection (3) IN
SUBSECTION (3)(b) OF THIS SECTION, a county shall provide child care
assistance for a family transitioning off the works program due to employment or job training without requiring the family to apply for low-income child care but shall redetermine the family's eligibility within six TWELVE months after the transition.

(b) A family that transitions off the works program must not be automatically transitioned to CCCAP pursuant to paragraph (a) of this subsection (3) SUBSECTION (3)(a) OF THIS SECTION if either of the following conditions apply:

(I) The family is leaving the works program due to a violation of program requirements as defined in part 7 of this article ARTICLE 2 OF TITLE 26, by DEPARTMENT rule, of the state board; or

(II) The family is leaving the works program due to employment and will be at an income level that exceeds the county-adopted income eligibility limit for the county's CCCAP.

(c) At the county's discretion, a family that transitions off the works program, is eligible for CCCAP, and resides in a county that has families on its waiting list may be added to the waiting list or be provided child care assistance without first being added to the waiting list.

(4) (a) (I) A recipient of child care assistance through CCCAP shall be responsible for paying a portion of his or her THE RECIPIENT'S child care costs based upon the recipient's income and the formula developed by DEPARTMENT rule, of the state board.

(II) After promulgation of rules by the state board, subject to available appropriations, and upon notification to counties by the state department that the relevant human services case management systems, including the Colorado child care automated tracking system, are capable
of accommodating this subparagraph (II), on or before July 1, 2016, the
formula must include a tiered reduced copayment structure for children
attending high-quality care:

(III) (II) Notwithstanding the provisions of subparagraph (II) of
this paragraph (a), Upon notification to counties by the state department
that the relevant human services case management systems, including the
Colorado child care automated tracking system, are capable of
accommodating this subparagraph (III) SUBSECTION (4)(a)(II), for a
family living at or below one hundred percent of the federal poverty level,
the family copayment responsibility must be restricted to no more than
one percent of the family's gross monthly income as determined based on
one month of income.

(IV) (III) Pursuant to DEPARTMENT rules promulgated by the state
board and upon notification to counties by the state department that the
relevant human services case management systems, including the
Colorado child care automated tracking system, are capable of
accommodating this subparagraph (IV) SUBSECTION (4)(a)(III), income
received during the past thirty days must be used in determining the
copayment, unless on a case-by-case basis the prior thirty-day period does
not provide an accurate indication of anticipated income, in which case
a county can require evidence of up to twelve of the most recent months
of income. A family may also provide evidence of up to twelve of the
most recent months of income if it chooses to do so if such evidence more
accurately reflects an ability to afford the required family copayment.

(b) The state board EXECUTIVE DIRECTOR BY RULE shall establish,
and periodically revise, by rule AT LEAST EVERY FIVE YEARS REVIEW AND
REVISE, a copayment schedule so that the copayment gradually increases
as the family income approaches self-sufficiency income levels. This revised copayment schedule should allow families to retain a portion of its increases in income INCREASES.

(c) A participant who is employed shall pay a portion of his or her THE PARTICIPANT'S income for child care assistance under CCCAP. The participant's required copayment under PURSUANT TO the provisions of this paragraph (e) SUBSECTION (4)(c) must be determined by a formula SUBSECTION (4)(c) established by DEPARTMENT rule of the state board that takes into consideration the factors set forth in paragraphs (a) and (b) of this subsection (4) SUBSECTIONS (4)(a) AND (4)(b) OF THIS SECTION.

(5) (a) On and after July 1, 2014, and except as otherwise provided in paragraph (a.5) or (a.7) of this subsection (5) SUBSECTION 5(b) OR (5)(c) OF THIS SECTION, a county may require a person who receives child care assistance pursuant to this section and who is not otherwise a participant to apply, pursuant to section 26-13-106 (2), for child support establishment, modification, and enforcement services related to any support owed by obligors to their children and to cooperate with the delegate child support enforcement unit to receive these services; except that a person is not required to submit a written application for child support establishment, modification, and enforcement services if the person shows good cause to the county implementing the Colorado child care assistance program for not receiving these services.

(a.5) (b) A county shall not require an applicant who is a teen parent, as defined by DEPARTMENT rule, of the state board, and who is not otherwise a participant to submit a written application for child support establishment, modification, and enforcement services as a condition of receiving child care assistance under PURSUANT TO this section until the
teen parent has graduated from high school or successfully completed a high school equivalency examination. After the teen parent has been determined eligible for child care assistance and the teen parent's chosen child care provider is receiving subsidy payments, a county may require the teen parent to regularly attend, at no cost and at a location and time most convenient to the teen parent, information sessions with the county child support staff focused on understanding the benefits of child support to the child, the family as a whole, and the benefits of two-parent engagement in a child's life. Once a person who receives child care assistance pursuant to this section no longer meets the definition of a teen parent or has either graduated from high school or successfully completed a high school equivalency examination, the county may require that person to cooperate with child support establishment and enforcement as a condition of continued receipt of child care assistance. Nothing in this section prevents a teen parent from establishing child support.

(a.7) (c) (I) A county shall not require an applicant to submit a written application for child support establishment, modification, and enforcement services as a condition of receiving child care assistance or to establish good cause for not cooperating with child support establishment as a condition of receiving child care assistance if the applicant:

described in section 18-9-111; C.R.S.; or a victim of stalking, as described in section 18-3-602; C.R.S.;

(B) Indicates in that statement that he or she THE APPLICANT fears for his or her safety or the safety of his or her THE APPLICANT'S children if the applicant were to pursue child support enforcement pursuant to section 26-13-106 (2); and

(C) Submits evidence that he or she THE APPLICANT is a victim of domestic violence, a sexual offense, harassment, or stalking as described in sub-subparagraph (A) of this subparagraph (I) SUBSECTION (5)(c)(I)(A) OF THIS SECTION.

(II) For purposes of sub-subparagraph (C) of subparagraph (I) of this paragraph (a), sufficient evidence includes, but is not limited to, evidence identified for participation in the address confidentiality program included in section 24-30-2105 (3)(c)(I) to (3)(c)(IV), C.R.S.; or from a "victim's advocate", as defined in section 13-90-107 (1)(k)(II), C.R.S.; from whom the applicant has sought assistance.

(III) A county may provide information about the importance of establishing child support to a victim of domestic violence, a sexual offense, harassment, or stalking who chooses not to engage in child support establishment or to pursue a good cause waiver from cooperation.

(b) (d) The state board EXECUTIVE DIRECTOR shall promulgate rules for the implementation of this subsection (5), including but not limited to rules establishing good cause for not receiving these services; and rules for the imposition of sanctions upon a person who fails, without good cause as determined by the county implementing the Colorado child care assistance program, to apply for child support enforcement services.
or to cooperate with the delegate child support enforcement unit as required by this subsection (5); The state board shall revise its rules regarding the option of counties to make cooperation with child support establishment and enforcement a condition of receiving child care assistance for teen parents and for victims of domestic violence, sexual offense, harassment, or stalking.

(c) (e) (I) On July 1, 2017, and every July 1 thereafter through July 1, 2025, each county department shall report to the state information related to teen parents in the Colorado child care assistance program. The state board shall establish, by rule, criteria to be reported annually by each county, including but not limited to:

(A) The total number of cases in each county that are receiving services from a county child support services office that involve custodial parties who are nineteen years of age or younger and the number of children being served;

(B) The total number of teen parents in each county that are receiving Colorado child care assistance;

(C) For each teen parent receiving child care assistance in the county, longitudinal data indicating whether paternity has been established and whether child support has been established for the child and reported for the child from birth to age four;

(D) For each teen parent receiving child care assistance in the county, longitudinal data indicating whether the teen parent achieved economic self-sufficiency and avoided becoming a Colorado works participant while in school and reported for the child from the child's birth to age four;
(E) For each teen parent receiving child care assistance in the county, longitudinal data indicating the total amount and the percentage of child support collected for the benefit of the child and reported for the child from birth to age four.

(II) The reports filed with the state department as a result of this paragraph (c) SUBSECTION (5)(e) are public records available for public inspection.

(d) (f) Upon notification that the relevant human services case management systems are capable of accommodating the provisions in paragraphs (a.5) and (a.7) of this subsection (5) SUBSECTIONS (5)(b) AND (5)(c) OF THIS SECTION, the state department is required to start tracking counties' compliance with paragraphs (a.5) and (a.7) of this subsection (5) SUBSECTIONS (5)(b) AND (5)(c) OF THIS SECTION. The state department shall notify counties when the human services case management systems are functional and when the tracking of compliance will begin.

(g) THIS SUBSECTION (5) IS REPEALED, EFFECTIVE JULY 1, 2023.

(6) Repealed.

(6) EFFECTIVE JULY 1, 2023, A COUNTY SHALL NOT REQUIRE A PERSON WHO APPLIES FOR CHILD CARE ASSISTANCE PURSUANT TO THIS SECTION TO PARTICIPATE IN CHILD SUPPORT ESTABLISHMENT, MODIFICATION, AND ENFORCEMENT SERVICES RELATED TO ANY SUPPORT OWED BY OBLIGORS TO THEIR CHILDREN OR TO COOPERATE WITH THE DELEGATE CHILD SUPPORT ENFORCEMENT UNIT AS A CONDITION OF RECEIVING CHILD CARE ASSISTANCE SERVICES. THIS SUBSECTION (6) DOES NOT PROHIBIT A COUNTY FROM EDUCATING APPLICANTS ABOUT THE BENEFITS OF CHILD SUPPORT AND CHILD SUPPORT ESTABLISHMENT, MODIFICATION, AND ENFORCEMENT SERVICES, AND HOW TO ENGAGE IN
THE CHILD SUPPORT PROCESS.

(7) (a) For a family with a child who is enrolled in both CCCAP and a head start program OR, AS SOON AS PRACTICABLE AFTER JULY 1, 2023, BOTH CCCAP AND THE COLORADO UNIVERSAL PRESCHOOL PROGRAM, the family's CCCAP eligibility redetermination must occur no sooner than the end of the last month of the child's first full twelve-month program year of enrollment in the head start OR COLORADO UNIVERSAL PRESCHOOL program. Child care assistance program eligibility redetermination for a child enrolled in both programs must occur once every twelve months thereafter.

(b) to (d) Repealed.

(e) (b) Notwithstanding the provisions of section 26-1-127 (2)(a), a family that receives child care assistance pursuant to this part 8 PART 1 is not required to report income or activity changes during the twelve-month eligibility period; except that, within the twelve-month eligibility period, a family is required to report a change in income if the family's income exceeds eighty-five percent of the state median income. If a family no longer participates in the activity under which it was made eligible in the child care case, the family shall report that change within four weeks from the time it ceased participating in the eligible activity.

(f) (c) A parent must not be determined ineligible to receive child care assistance pursuant to this part 8 PART 1 as a result of:

(II) Being a separated spouse or parent under a validly issued temporary order for parental responsibilities or child custody where the other spouse or parent has disqualifying financial resources;

(III) Each instance of nontemporary job loss for less than ninety

(IV) A temporary break in eligible activity, as defined by DEPARTMENT rule of the state board.

(g) and (h) Repealed.

(f) (d) Subject to available appropriations and pursuant to DEPARTMENT rules promulgated by the state board for the implementation of this part, a parent who is enrolled in a postsecondary education program or a workforce training program is eligible for CCCAP for at least any two years of the postsecondary education or workforce training program, provided all other CCCAP eligibility requirements are met during those two years. ON AND AFTER JULY 1, 2023, a county may ONLY give priority for services to a working family over a family enrolled in postsecondary education or workforce training IF THE COUNTY DOES NOT HAVE SUFFICIENT FUNDING AND HAS RECEIVED APPROVAL FROM THE DEPARTMENT BEFORE IMPLEMENTING THE PRIORITIZATION.

(e) To provide continuous child care with the least disruption to the child, the hours authorized for the provision of child care through CCCAP must include authorized hours for the child that promote continuous, consistent, and regular care and must not be linked directly to a parent's employment, education, or workforce training schedule. Pursuant to DEPARTMENT rules, promulgated by the state board, the number of hours authorized for child care should be based on the number of hours the parent is participating in an eligible activity and the child's needs for care.

(8) Pursuant to DEPARTMENT rules promulgated by the state board and upon notification to counties by the state department that the relevant
human services case management systems, including the Colorado child care automated tracking system, are capable of accommodating this subsection (8), income received during the past thirty days must be used in determining eligibility unless, on a case-by-case basis, the prior thirty-day period does not provide an accurate indication of anticipated income, in which case a county can require evidence of up to twelve of the most recent months of income. A family may also provide evidence of up to twelve of the most recent months of income if it chooses to do so if such evidence more accurately reflects a family's current income level.

(9) A county has the authority to develop a voucher system for families enrolled in CCCAP through which they can secure relative or unlicensed child care.

(10) An early care and education provider or county may conduct a pre-eligibility determination for child care assistance for a family to facilitate the determination process. The early care and education provider shall submit its pre-eligibility documentation to the county for final determination of eligibility for child care assistance. The early care and education provider or county may provide services to the family prior to final determination of eligibility, and the county shall reimburse a provider for such services only if the county determines the family is eligible for services and there is no need to place the family on a waiting list. If the family is found ineligible for services, the county shall not reimburse the early care and education provider for any services provided during the period between its pre-eligibility determination and the county's final determination of eligibility.

(11) A provider OR A LOCAL COORDINATING ORGANIZATION, AS DEFINED IN SECTION 26.5-2-102, may accept a family's CCCAP
application and submit it to the county on behalf of a family seeking child care assistance.

(12) Each county:

(a) Upon notification to counties by the state department that the relevant human services case management systems, including the Colorado child care automated tracking system, are capable of accommodating this paragraph (a) SUBSECTION (12)(a), and pursuant to DEPARTMENT rules, promulgated by the state board, in addition to regular daily provider reimbursement rates, shall reimburse providers according to the following schedule: PAY PROVIDERS FOR CARE IN ALIGNMENT WITH COMMON PRACTICES IN THE PRIVATE MARKET FOR CHILD CARE. of application due to funding concerns. Counties may enroll families off waiting lists according to local priorities and may require an applicant to restate his or her THE APPLICANT'S intention to be kept on the waiting list every six months in order to maintain his or her THE APPLICANT'S place on the waiting list.

(c) Shall post eligibility, authorization, and administration policies and procedures so they are easily accessible and readable to a layperson. The policies must be sent to the state department for compilation.

(d) May use its CCCAP allocation to provide direct enrollment contracts or grants to early care and education providers: for a county-determined number of CCCAP slots for a twelve-month period TO SUPPORT IMPLEMENTATION OF THE LOCAL COMMUNITY PLAN DESCRIBED IN SECTION 26.5-2-104; to increase the supply and improve the quality of child care for infants and toddlers, children with disabilities, after-hours care, and children in underserved neighborhoods; TO PROVIDE STABILITY FOR THE EARLY CHILDHOOD SECTOR; AND TO IMPROVE ALIGNMENT WITH THE PROVISION OF ADDITIONAL PRESCHOOL SERVICES, AS DEFINED IN SECTION 26.5-4-203, TO WORKING FAMILIES WHO NEED ADDITIONAL CARE;

PART 2
COLORADO UNIVERSAL PRESCHOOL PROGRAM

26.5-4-201. Short title. The short title of this part 2 is the "COLORADO UNIVERSAL PRESCHOOL Program Act".

26.5-4-202. Legislative declaration. (1) (a) The general assembly finds and declares that:

(I) COLORADO HAS PRIORITIZED EARLY LEARNING THROUGH ITS INVESTMENTS IN THE COLORADO PRESCHOOL PROGRAM, ESTABLISHED IN 1988, AND FULL-DAY KINDERGARTEN, ADOPTED IN 2019;

(II) SINCE ESTABLISHING THE COLORADO PRESCHOOL PROGRAM, COLORADO HAS STEADILY INCREASED ITS INVESTMENT IN HIGH-QUALITY PRESCHOOL PROGRAMMING, SECURING A SIGNIFICANT RETURN ON
INVESTMENT BY IMPROVING CHILD OUTCOMES YEAR OVER YEAR BY 
EXPANDING ACCESS TO PRESCHOOL FOR CHILDREN IN LOW-INCOME 
FAMILIES AND THOSE WHO ARE AT RISK OF ENTERING KINDERGARTEN 
WITHOUT BEING PREPARED TO LEARN;

(III) STATE AND NATIONAL RESEARCH DEMONSTRATE THE 
POSITIVE AND LONG- AND SHORT-TERM IMPACTS OF HIGH-QUALITY 
PRESCHOOL, INCLUDING IMPROVED EARLY LITERACY, REDUCED GRADE 
RETENTION, DECREASED PROBABILITY OF DEVELOPING A SIGNIFICANT 
READING DEFICIENCY, IMPROVED PERFORMANCE ON STATEWIDE 
STANDARDS-BASED ASSESSMENTS, AND INCREASED RATE OF HIGH SCHOOL 
GRADUATION;

(IV) RESEARCH DEMONSTRATES THAT ECONOMICALLY 
DISADVANTAGED CHILDREN DERIVE GREATER BENEFITS FROM PRESCHOOL 
PROGRAMS IN STATES THAT OFFER UNIVERSAL PROGRAMS THAN IN STATES 
THAT OFFER PRESCHOOL PROGRAMS SPECIFICALLY FOR ECONOMICALLY 
DISADVANTAGED CHILDREN.

(V) IN THE 2020 GENERAL ELECTION, THE VOTERS OF COLORADO 
APPROVED PROPOSITION EE BY A NEARLY TWO-TO-ONE MARGIN, 
ESTABLISHING A DEDICATED SOURCE OF FUNDING FOR STATEWIDE, 
VOLUNTARY, UNIVERSAL PRESCHOOL PROGRAMMING FOR CHILDREN IN THE 
YEAR PRECEDING KINDERGARTEN AND FOR ADDITIONAL PRESCHOOL 
PROGRAMMING FOR CHILDREN IN LOW-INCOME FAMILIES AND CHILDREN 
WHO ARE AT RISK OF ENTERING KINDERGARTEN WITHOUT BEING PREPARED 
TO LEARN. WITH THE PASSAGE OF THIS MEASURE, COLORADO VOTERS IN 
RURAL, URBAN, AND SUBURBAN COMMUNITIES HAVE DEMONSTRATED 
THEIR STRONG COMMITMENT TO EXPANDING ACCESS TO QUALITY 
PRESCHOOL FOR CHILDREN REGARDLESS OF THEIR ECONOMIC
(VI) Creating a statewide, mixed delivery system of preschool providers to make preschool programming universally available to children throughout Colorado compounds the benefits for children who are in low-income families and increases the ultimate social and economic benefits of high-quality preschool programming for the state as a whole.

(b) The general assembly finds, therefore, that it is in the best interests of the state and consistent with the will of the voters of Colorado to establish the Colorado universal preschool program to provide high-quality, voluntary preschool programming through a mixed delivery system for children throughout the state in the year preceding kindergarten enrollment and to provide for additional preschool services for children who are in low-income families or who meet identified qualifying factors.

(2) (a) The general assembly further finds and declares that:

(I) In 2000, the voters approved section 17 of article IX of the state constitution, which requires the general assembly to annually increase, by at least the rate of inflation, the statewide base per pupil funding, as defined by the "Public School Finance Act of 1994", article 54 of title 22, for public education from preschool through twelfth grade;

(II) In the 2001-02 fiscal year and in every fiscal year since, the increases to statewide base per pupil funding have automatically applied to funding for preschool services
PROVIDED BY SCHOOL DISTRICTS, BECAUSE THE FUNDING FOR PRESCHOOL
SERVICES HAS BEEN CALCULATED THROUGH THE SCHOOL FINANCE
FORMULA ESTABLISHED IN ARTICLE 54 OF TITLE 22, WHICH APPLIES TO
FUNDING FOR PUBLIC ELEMENTARY AND SECONDARY EDUCATION;

(III) TO EFFECTIVELY AND EFFICIENTLY PROVIDE PRESCHOOL
SERVICES THROUGH A MIXED DELIVERY SYSTEM OF SCHOOL- AND
COMMUNITY-BASED PRESCHOOL PROVIDERS, AND TO ENSURE THAT
FUNDING CALCULATIONS ACCOUNT FOR THE UNIQUE STANDARDS AND
FEATURES OF PRESCHOOL PROGRAMS, STATE FUNDING FOR PRESCHOOL
SERVICES, INCLUDING PRESCHOOL SERVICES FOR CHILDREN WITH
DISABILITIES, MUST BE APPROPRIATED AND ALLOCATED SEPARATELY FROM
THE FUNDING FOR PUBLIC ELEMENTARY AND SECONDARY EDUCATION,
AND, BEGINNING IN THE 2023-24 FISCAL YEAR, THE STATEWIDE BASE PER
PUPIL FUNDING AMOUNT SET ANNUALLY FOR PUBLIC ELEMENTARY AND
SECONDARY EDUCATION WILL NO LONGER APPLY TO FUNDING FOR
PRESCHOOL SERVICES;

(IV) TO CONTINUE TO MEET THE INTENT OF SECTION 17(1) OF
ARTICLE IX OF THE STATE CONSTITUTION WITH REGARD TO FUNDING FOR
PRESCHOOL SERVICES, IT IS APPROPRIATE FOR THE DEPARTMENT OF EARLY
CHILDHOOD TO ESTABLISH A PER-CHILD CONSTITUTIONAL COMPLIANCE
RATE FOR THE 2023-24 FISCAL YEAR THAT EQUALS THE PORTION OF THE
STATEWIDE BASE PER PUPIL FUNDING AMOUNT ESTABLISHED FOR THE
2023-24 FISCAL YEAR THAT APPLIES TO THE NUMBER OF HOURS OF
UNIVERSAL PRESCHOOL SERVICES PROVIDED TO AN ELIGIBLE CHILD, AND
TO INCREASE THE PER-CHILD CONSTITUTIONAL COMPLIANCE RATE
ANNUALLY BY THE RATE OF INFLATION.

(b) THE GENERAL ASSEMBLY, THEREFORE, DECLARES THAT, BY
ESTABLISHING A PER-CHILD CONSTITUTIONAL COMPLIANCE RATE AND ENSURING THAT THE PER-CHILD RATE THAT THE DEPARTMENT ANNUALLY ESTABLISHES FOR UNIVERSAL PRESCHOOL SERVICES AND FOR PRESCHOOL SERVICES PROVIDED TO CHILDREN WHO ARE THREE YEARS OF AGE OR YOUNGER MEETS OR EXCEEDS THE PER-CHILD CONSTITUTIONAL COMPLIANCE RATE, FUNDING FOR THE COLORADO UNIVERSAL PRESCHOOL PROGRAM SUBSTANTIALLY COMPLIES WITH THE REQUIREMENTS OF SECTION 17 (1) OF ARTICLE IX OF THE STATE CONSTITUTION.

(3) (a) THE GENERAL ASSEMBLY FURTHER FINDS AND DECLARES THAT:

(I) IN APPROVING PROPOSITION EE, THE VOTERS SUPPORTED FUNDING FOR TEN HOURS OF HIGH-QUALITY PRESCHOOL PROGRAMMING FOR ALL COLORADO CHILDREN IN THE YEAR PRECEDING KINDERGARTEN ENROLLMENT, AS WELL AS ADDITIONAL PRESCHOOL PROGRAMMING FOR CHILDREN WHO ARE AT RISK OF ENTERING KINDERGARTEN WITHOUT BEING PREPARED TO LEARN, INCLUDING CHILDREN IN LOW-INCOME FAMILIES;

(II) RESEARCH DEMONSTRATES THAT PARTICIPATING IN HIGH-QUALITY PRESCHOOL PROGRAMS HELPS TO ENSURE THAT CHILDREN IN LOW-INCOME FAMILIES ARE ABLE TO ENTER KINDERGARTEN ON PAR WITH THEIR PEERS IN HIGHER-INCOME FAMILIES; AND

(III) FOR THE PRESCHOOL PROGRAM TO SERVE CHILDREN EQUITABLY, THE STATE MUST INVEST IN ADDITIONAL HOURS OF PRESCHOOL PROGRAMMING FOR CHILDREN IN LOW-INCOME FAMILIES, IN ADDITION TO FUNDING THE TEN HOURS OF UNIVERSAL PRESCHOOL SERVICES.

(b) THE GENERAL ASSEMBLY FINDS, THEREFORE, THAT IT IS IN THE BEST INTERESTS OF THE STATE TO ALLOCATE THE AMOUNT APPROPRIATED
FOR THE COLORADO UNIVERSAL PRESCHOOL PROGRAM TO PROVIDE
ADEQUATE FUNDING FOR BOTH A HIGH-QUALITY UNIVERSAL PRESCHOOL
PROGRAM AND ADDITIONAL PRESCHOOL PROGRAMMING FOR CHILDREN IN
LOW-INCOME FAMILIES.

(4) THE GENERAL ASSEMBLY RECOGNIZES THE REQUIREMENT OF
THE FEDERAL "INDIVIDUALS WITH DISABILITIES EDUCATION ACT", 20
U.S.C. SEC. 1400 ET SEQ., AS AMENDED, TO PROVIDE EDUCATIONAL
SERVICES TO EVERY THREE- OR FOUR-YEAR-OLD CHILD WITH A DISABILITY,
IN ACCORDANCE WITH THE CHILD'S INDIVIDUALIZED EDUCATION PROGRAM.

THE GENERAL ASSEMBLY DECLARES THAT, FOR PURPOSES OF SECTION 17
OF ARTICLE IX OF THE STATE CONSTITUTION, MEETING THE OBLIGATION OF
SERVING ALL THREE- AND FOUR-YEAR-OLD CHILDREN WITH DISABILITIES
THROUGH THE COLORADO UNIVERSAL PRESCHOOL PROGRAM IS AN
IMPORTANT ELEMENT OF EXPANDING THE AVAILABILITY OF PRESCHOOL
PROGRAMS AND MAY THEREFORE RECEIVE FUNDING FROM THE STATE
EDUCATION FUND CREATED IN SECTION 17 (4) OF ARTICLE IX OF THE
STATE CONSTITUTION.

The department and the executive director shall work with families, educators, and program administrators to review and, as necessary, revise the quality standards at least every five years to ensure the standards continue to reflect national best practices and meet the other requirements specified in this section. In developing, reviewing, revising, and adopting the quality standards, the department and the executive director shall consider, at a
MINIMUM:

(I) The quality standards established for preschool providers participating in the Colorado preschool program pursuant to article 28 of title 22, as it exists prior to July 1, 2023;

(III) The child care licensing requirements established pursuant to part 3 of article 5 of this title 26.5 with which preschool providers are required to comply; and

(IV) The need to ensure the availability of preschool services for eligible children throughout the state while maintaining the quality of the preschool providers.

(b) (I) Except as provided in subsection (1)(b)(II) of this section, the department shall ensure that each preschool provider that participates in the preschool program meets the quality standards established by rule in accordance with this section. The department may work with a local coordinating organization to ensure that a preschool provider meets the quality standards. The department may prohibit a preschool provider that fails to meet one or more of the quality standards from participating in the preschool program.

(II) If necessary to ensure the availability of a mixed delivery system within a community, the department may allow a preschool provider that does not meet the quality standards to participate in the preschool program for a limited time while working toward compliance with the quality standards; except

RELATING TO HEALTH AND SAFETY AS A CONDITION OF PARTICIPATING IN
THE PRESCHOOL PROGRAM.

(2) AT A MINIMUM, THE QUALITY STANDARDS ESTABLISHED IN
RULE MUST INCLUDE:

(a) THE MINIMUM NUMBERS OF CONTACT HOURS OF
INSTRUCTIONAL SERVICES PER SCHOOL YEAR FOR UNIVERSAL PRESCHOOL

INCOME LEVEL, OR DISABILITY, AS SUCH CHARACTERISTICS AND
CIRCUMSTANCES APPLY TO THE CHILD OR THE CHILD'S FAMILY;

(c) THE MAXIMUM ALLOWABLE EDUCATOR-TO-CHILD RATIOS AND

NATIONAL STANDARDS FOR THE MODEL OR IS ACCREDITED TO PROVIDE THE
MODEL.
(d) Qualifications for preschool teachers. The quality standards must not require preschool teachers to be licensed pursuant to Article 60.5 of Title 22 and must allow a preschool provider to employ a nonlicensed preschool teacher as long as the teacher meets other qualifications established in Department rule. The department shall work with the Department of Education to align, to the fullest extent possible, the qualifications for preschool educators with the qualifications for an early childhood teaching license endorsement provided by the Department of Education.

(c) CONSIDER THE IMPACT ON THE LEVEL OF FUNDING FOR PRESCHOOL PROVIDERS AS A RESULT OF THE PER-CHILD RATES AND THE

THE DEPARTMENT MAY CONSIDER A SPECIFIED PURPOSE DISTRIBUTION AS DESCRIBED IN SUBSECTION (1)(d) OF THIS SECTION TO REDUCE ANY IMPACT ON THE LEVEL OF FUNDING FOR PRESCHOOL PROVIDERS.

regulating child care facilities. It is the intent of the general assembly that those who regulate and those who are regulated work together to meet the needs of the children, their families, and the child care industry.

FOSTER CARE, RESIDENTIAL, DAY TREATMENT,
CHILD PLACEMENT AGENCY LICENSING

"FOSTER CARE, RESIDENTIAL, DAY TREATMENT, AND AGENCY LICENSING
Act".

26-6-902. Legislative declaration. (1) The general assembly
finds that regulation and licensing of foster care homes,
residential and day treatment child care facilities and child
placement agencies contribute to a safe and healthy
environment for children and youth. The provision of such an
environment affords benefits to children and youth, their
families, their communities, and the larger society. It is the
intent of the general assembly that those who regulate and
those who are regulated work together to meet the needs of the
children, youth, their families, foster care providers, child
placement agencies, and residential and day treatment child
care facilities.

(2) In balancing the needs of children and their families
with the needs of child placement agencies and the residential
and day treatment child care industry, the general assembly
also recognizes the financial demands the department of human
services faces in its attempt to ensure a safe and sanitary
ENVIRONMENT FOR CHILDREN OF THE STATE OF COLORADO WHO ARE IN
FOSTER CARE WITH CHILD PLACEMENT AGENCIES OR IN RESIDENTIAL AND
DAY TREATMENT CHILD CARE FACILITIES. IN AN EFFORT TO REDUCE THE
RISK TO CHILDREN PLACED OUTSIDE THEIR HOMES WHILE RECOGNIZING
THE FINANCIAL CONSTRAINTS PLACED ON THE DEPARTMENT, IT IS THE
INTENT OF THE GENERAL ASSEMBLY THAT THE LIMITED RESOURCES
AVAILABLE ARE FOCUSED PRIMARILY ON RESIDENTIAL AND DAY
TREATMENT CHILD CARE FACILITIES AND AGENCIES THAT HAVE
DEMONSTRATED THAT CHILDREN IN THEIR CARE MAY BE AT HIGHER RISK.

AS PART OF THE INVESTIGATION, THE STATE DEPARTMENT SHALL REQUIRE EACH INDIVIDUAL, INCLUDING BUT NOT LIMITED TO THE APPLICANT, AN OWNER, AN EMPLOYEE, A NEWLY HIRED EMPLOYEE, A LICENSEE, AND AN ADULT WHO IS EIGHTEEN YEARS OF AGE OR OLDER AND RESIDES IN THE LICENSED FACILITY, TO OBTAIN A FINGERPRINT-BASED CRIMINAL HISTORY RECORD CHECK BY REVIEWING ANY RECORD THAT IS USED TO ASSIST THE STATE DEPARTMENT IN ASCERTAINING WHETHER THE PERSON BEING INVESTIGATED HAS BEEN CONVICTED OF ANY OF THE CRIMINAL OFFENSES SPECIFIED IN SECTION 26-6-905 (8) OR ANY OTHER FELONY. THE STATE BOARD SHALL PROMULGATE RULES THAT DEFINE AND IDENTIFY WHAT THE CRIMINAL HISTORY RECORD CHECK ENTAILS.

MAINTAINS A CENTRAL RECORDS MANAGEMENT SYSTEM FOR EMPLOYEES
OF ALL ITS LICENSED FACILITIES; TAKES ACTION AS REQUIRED PURSUANT
TO SECTION 26-6-905 WHEN INFORMED OF THE RESULTS OF A
FINGERPRINT-BASED CRIMINAL HISTORY RECORD CHECK OR CHECK OF THE

TO BE THE SUBJECT OF COMPLAINTS OR TO BE OUT OF COMPLIANCE WITH
THE STANDARDS SET FORTH IN SECTION 26-6-909 AND THE RULES OF THE

AN IMMEDIATE AND DIRECT THREAT TO THE CHILD'S SAFETY AND WELFARE
OR WHEN A SUBSTANTIAL VIOLATION OF A FUNDAMENTAL STANDARD OF
