1 WHEREAS, Upon realizing that license fees alone were
2 insufficient to restore and sustain healthy fish and wildlife populations,

5 support the restoration and enhancement efforts of state agencies; and

6 WHEREAS, This user-pay, public-benefit system became known
7 as the United States Fish and Wildlife Service's Wildlife and Sport Fish
8 Restoration Program that began with the passage of the
9 "Pittman-Robertson Federal Aid in Wildlife Restoration Act" of 1937,
10 which was bolstered with the passage of the "Federal Aid in Sport Fish
11 Restoration Act" of 1950 and further expanded with the passage of the
12 Wallop-Breaux amendments to the 1950 act in 1984; and

13 WHEREAS, Today, Colorado Parks and Wildlife is funded, in
14 part, by sportsmen and women, through the American System of

16 widely recognized as the most successful model for funding fish and
17 wildlife management in the world; and

18 WHEREAS, In 2021, Colorado's sportsmen and women generated
19 over \$133 million through this system to support the conservation efforts
20 of Colorado Parks and Wildlife; and

21 WHEREAS, Colorado's more than 1.2 million hunters and anglers
22 contribute more than \$3.2 billion in statewide economic output per year
23 while engaged in their pursuits, which supports over 25,000 jobs and
24 generates around \$187 million in state and local taxes; and

25 WHEREAS, The stated mission of the Colorado Legislative
26 Sportsmen's Caucus, a nonpartisan caucus formed in 2002 by the
27 Sixty-third General Assembly, is to:

4 industries and activities; and
- 5 ● Work as a collaborative partner with the agricultural
