Current Appropriations Clause in Bill

The bill neither requires nor contains an appropriation clause for FY 2022-23.

Points to Consider

Funding Source

The bill reenacts the School Security Disbursement Program to disburse money from the School Security Disbursement Program Cash Fund, which is created in HB 22-1243 (School Security and School Behavioral Health Services Funding). The bill contains an effective date clause to indicate that funding for implementation of the bill is contingent on the passage of HB 22-1243.
