Summary of Legislation

The bill requires the Colorado Commission on Criminal and Juvenile Justice (CCJJ) to create a task force to examine and make findings and recommendations on whether it is appropriate to improve access to community correction programs for persons convicted of misdemeanors. The task force is made up of 13 individuals and must be convened by July 29, 2022. By July 1, 2023, the task force must report on its findings and recommendations to the CCJJ. The report must also be presented as a part of the Department of Public Safety's (DPS) SMART Act hearing.

State Expenditures

In FY 2022-23 only, workload in the DPS will increase for the CCJJ to create a task force to study the issues outlined in the bill. The fiscal note assumes that the work required by the bill already falls within the scope of work of the CCJJ and that the CCJJ will use current appropriations to fulfill the requirements.
