**Amendments in This Packet for Consideration by Appropriations Committee**

<b>Amendment</b>	<b>Description</b>
J.001	Staff-prepared appropriation amendment

**Current Appropriations Clause in Bill**

The bill requires but does not contain an appropriation clause.

**Description of Amendments in This Packet**

**J.001** Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$200,000 cash funds from the Lottery Fund to the Department of Revenue for FY 2022-23.

**Points to Consider***Legislative Appropriation Authority*

Continuous spending authority, also known as **continuous appropriations**, allows departments to spend money for statutorily specified purposes up to the amount of money in the fund without seeking annual legislative approval. An annual appropriation provides a limit on spending authority, while a continuous appropriation provides unlimited spending authority.

This method of funding moves these expenditures off-budget, and thus expenditures are not reported or accounted for through the budget process. Is it necessary for the Department of Revenue to **not** seek annual authority from the General Assembly to spend money from the Responsible Gaming Grant Program Cash Fund.
