Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates a total of \$4,000,000 cash funds from the State Fair Authority Cash Fund to the Department of Agriculture for FY 2021-22. Any money not expended by July 1, 2022, is further appropriated for FY 2022-23 for the same purpose.

JBC Staff Analysis

The Joint Budget Committee has proposed a budget package for FY 2022-23 based on the March 2022 Legislative Council Staff revenue forecast. The budget package includes two set-asides:

- \$40.0 million General Fund for bills that create ongoing obligations; and
- \$900.0 million General Fund for bills that create one-time obligations in FY 2022-23.

The \$40.0 million *appropriations* set-aside includes an additional \$6.0 million General Fund to provide a 15.0 percent General Fund reserve for those appropriations. The \$900.0 million *obligations* set-aside does not include an additional amount for a General Fund reserve and, assumes, but does not require, that obligations be addressed through statutory transfers rather than appropriations. Therefore *appropriations* from the \$900.0 million set-aside require an additional 15.0 percent to maintain the statutory General Fund reserve.

This bill creates a one-time obligation and includes a General Fund transfer of \$4.0 million for FY 2021-22, reducing the \$900.0 million set aside by the same amount.
