## Summary of Legislation

The bill expands the scope of the Water Resources Review Committee to include identifying, monitoring, and addressing agriculture issues, and renames it the Water Resources and Agriculture Review Committee.

## Assessment of No Fiscal Impact

While the bill expands the scope of policy issues the committee is directed to consider, it makes no change to committee membership nor the number of meetings the committee will hold. This results in no change to state or local government revenue or expenditures.

## Effective Date

The bill was signed into law by the Governor on March 30, 2022, and takes effect on August 9, 2022, assuming no referendum petition is filed.
