**AN ACT**

**CONCERNING THE DETERMINATION THAT A LOAD OF FLUID MILK PRODUCTS HAULED BY A VEHICLE IS NOT A DIVISIBLE LOAD UNDER THE VEHICLE WEIGHT LIMITS PERMITTED BY LAW.**

*Be it enacted by the General Assembly of the State of Colorado:*

**SECTION 1. Legislative declaration.** (1) The general assembly hereby finds and declares that:

(a) In 2015, the United States Congress passed the "Fixing America's Surface Transportation Act", Pub.L. 114-94, also known as the "FAST Act";

(b) The "FAST Act" includes a provision in 23 U.S.C. sec. 127 (a)(13) that reads "A vehicle carrying fluid milk products shall be considered a load that cannot be easily dismantled or divided [nondivisible].";

(c) Congress designated fluid milk as a nondivisible load because milk drivers must pick up the entire stock of milk that a dairy farm produces every day and deliver it to the dairy;

(d) The Colorado department of transportation promulgated a rule to conform with the provision in the "FAST Act", but the rule was inconsistent with and narrower than the provision; and

(e) With respect to the provision in the "FAST Act", this act merely harmonizes Colorado law with the "FAST Act".
SECTION 2. In Colorado Revised Statutes, 42-4-510, add (1)(d) as follows:

42-4-510. Permits for excess size and weight and for manufactured homes - rules - definitions. (1) (d) For the purposes of this section, section 42-4-511, and any rule promulgated under this section or section 42-4-511, a load of fluid milk products carried by a vehicle is deemed to not be a divisible load.

SECTION 3. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, or safety.
